ND GIS User Conference
September 19-20, 2017
Bismarck State College
Bismarck, ND

CONFERENCE WEBSITE LIVE!

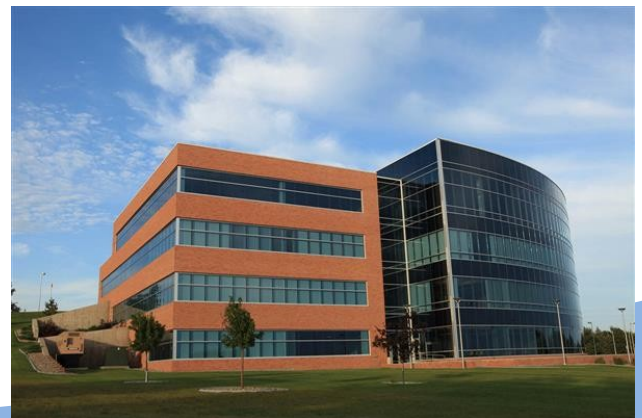

Call for abstracts! Sponsor registration! Participant registration! Keynote speaker information! It's all on the ND GIS User Conference website:

<https://bismarckstate.edu/continuingeducation/professional/Conferences/NDGISUsersConference/>

BE A CONFERENCE SPONSOR

Become a ND GIS User Conference sponsor now and reach the largest audience of GIS professionals, technicians and students in the state of North Dakota! There are three levels of sponsorship—Premier, Partner and Alumni/Supporting. New this year is the opportunity to present during breakout sessions OR have booth space. If you are a Premier or Partner sponsor you can have the opportunity to promote your company's innovative GIS solutions to conference participants! Traditional booth space is still available for conference sponsors.

Details are on the conference [website](#), or contact our Conference Coordinator, Alison Zarr at (701) 224-5731.

YOUR CONFERENCE VENUE

Completed in 2008, Bismarck State College's National Energy Center of Excellence is a state of the art energy technology instructional and meeting facility. Bavendick Stateroom on the 4th floor has impressive views of the Missouri River valley.
