

STATE BOARD OF ANIMAL HEALTH
ND Department of Agriculture
600 E. Boulevard Ave. Dept. 602
Bismarck, ND 58505-0020

BEEF CATTLE

- All need a health certificate.
- All sexually intact cattle of any age must be individually officially identified and obtain a permit number prior to entry into ND.
- Individual official ID required on all cattle used for exhibition.
- All testing and identification information must be listed on the health certificate.
- Non-virgin and non-pregnant female cattle may not be imported, for breeding purposes, into ND, unless they qualify for the exemptions outlined in [North Dakota Administrative Code §48.1-05-01-02](#).
 - Please contact our office if questions.
- Calves accompanying dam do not need individual ID.
- Calves <4 months old, including steers and spayed heifers, not accompanying dam, need individual official ID and a permit number obtained prior to entry into ND.
 - It must be stated on the health certificate that the calves are not to be resold within 60 days.
- Trichomonas foetus testing required on non-virgin bulls and all bulls \geq 24 months of age. Refer to [North Dakota Administrative Code §48.1-05-01-02](#).
- Steers and spayed heifers >4 months of age do not need individual ID and do not need a permit number prior to entry into ND.
 - Spayed heifers must have an official spay tag or the veterinarian must verify that the heifers are spayed.

ACCEPTABLE FORMS OF OFFICIAL ID INCLUDE:

- USDA Silver tags
- Official Brucellosis (Bangs) vaccination tags
- USDA Approved Radio Frequency Identification Tags

***Effective January 1st, 2015, registration tattoos and registration numbers will no longer be considered official ID for cattle being imported into North Dakota.**

Please call (701) 328-2655 to obtain a permit number.
After hours: (701) 220-5194 or (701) 220-0092
