GROWER INFORMATION:

Complete this section if you are a grower (in production of nursery stock).
List each distinct growing area (use supplemental grower information sheet if needed).
Only the locations and plant species listed will be inspected during the growing season.
Only those inspected will be eligible for certification.
All nursery stock offered for sale within North Dakota must be from officially inspected resources.
Attach plant species inventory lists if needed.

BARBERRY PERMIT APPLICATION

A permit is required to move Barberry, Mahoberberis and Mahonia into North Dakota. Plants must be rust-resistant varieties recognized in the Federal Black Stem Rust Quarantine (7 CFR301.38-2).

Do you intend to import or distribute Barberry, Mahoberberis or Mahonia? (Check One) ☐ Yes ☐ No

By signing below, you certify that all varieties of Barberry, Mahoberberis or Mahonia are approved varieties from approved sources.
$50 fee covers the nursery license, barberry permit and any required inspections.
Reminder: Keep all documents that are sent with shipments of nursery stock. These may be requested by an inspector.

I certify that only officially inspected and certified nursery stock will be offered for sale.
