Initial Announcement and Program Solicitation Information

**Funding Opportunity Title:** Organic Certification Cost Share Programs

**Funding Opportunity Numbers:** USDA-FSA-SND-NOCCSP-22-NOFO0001215 and USDA-FSA-SND-AMA-22-NOFO0001214

**Announcement Type:** Initial

**Catalog of Federal Domestic Assistance (CFDA) Number:** 10.171

**Dates:** Applications must be received by 11:59 p.m. Eastern Time on July 15, 2022, through Grants.gov. Applications received after this date may be considered if funds are available.

**Executive Summary:** The U.S. Department of Agriculture (USDA), Farm Service Agency (FSA), requests applications for the National Organic Certification Cost Share Program (NOCCSP) and the Agricultural Management Assistance (AMA) Organic Certification Cost Share Program, collectively referred to as the OCCSP, for fiscal year (FY) 2022. The purpose of the OCCSP awards is to defray the costs of receiving and maintaining organic certification.

In FY 2022, the available funding for these two programs is approximately $7 million for the NOCCSP and $943,000 for the AMA. FSA awards the OCCSP funds to eligible State Agencies* that serve as administering entities, to reimburse organic operations for specific organic certification costs.

This is the initial request for applications, which outlines the eligibility and performance criteria for State Agencies seeking NOCCSP and AMA funding in FY 2022. For eligible certification costs incurred from October 1, 2021, through September 30, 2022, organic operations may request reimbursement until November 1, 2022, unless the State Agency requests and receives approval for a different application deadline. The State Agencies may provide reimbursements to certified organic operators for 50% of the operation’s total allowable certification costs, up to a maximum of $500 per certification scope: crops, livestock, wild crops, handling (i.e., processing), and State Organic Program fees. If additional funding is authorized for FY 2022, FSA and State Agencies may amend the FY 2022 grant agreements to provide additional funds and increase the payment amounts for certified operations.

* The use of “State Agencies” throughout this document refers to the 50 United States, the District of Columbia, and 5 U.S. Territories including the Commonwealth of Puerto Rico, Guam, American Samoa, the United States Virgin Islands, and the Commonwealth of the Northern Mariana Islands.
Program Highlights

The following highlights apply to the FY 2022 program:

- The application deadline is July 15, 2022. Applications submitted after this deadline may be considered if funding is available.

- The FY 2022 Period of Qualification for organic operations seeking reimbursement is from October 1, 2021, through September 30, 2022. Applications for reimbursement by producers may be submitted through November 1, 2022, unless the State Agency has received approval to establish a different deadline.

- A certified organic operation may receive reimbursement of 50 percent of its eligible certification costs, up to a maximum of $500 per scope. If additional funding is authorized for FY 2022, FSA and State Agencies may amend the FY 2022 grant agreements to provide additional funds and increase the payment amounts for certified operations.

- The Period of Performance for State Agencies starts when the grant agreement is fully executed and ends December 31, 2022. State Agencies should only apply if they reasonably expect to be able to process all applications by December 31, 2022. No-Cost Extensions of the Period of Performance will be considered only in rare situations due to unforeseeable circumstances. State Agencies must request No-Cost Extensions at least 10 calendar days before the end of the performance period.

- State Agencies must submit all requests for reimbursement and required reports by April 30, 2023, unless they have received a No-Cost Extension.

- State Agencies that issue subawards to subrecipients must submit the required subrecipient information at the time of application or request prior approval from the Federal Agency at least 30 days prior to execution of the subaward. State Agencies must also submit the name and title of the authorized representative who will sign the grant agreement and SF-3881 on behalf of the State Agency.

1.0 FUNDING OPPORTUNITY DESCRIPTION

1.1 LEGISLATIVE AUTHORITIES

The National Organic Certification Cost Share program (NOCCSP) is authorized under section 10606(d)(1) of the Farm Security and Rural Investment Act of 2002 (7 U.S.C. 6523(d)), as amended by section 10004(c) of the Agriculture Act of 2014 (2014 Farm Bill; Pub. L. 113–79) and Section 10105 of the Agricultural Improvement Act of 2018 (2018 Farm Bill, Pub. L. 115-334). Under this authority, Congress authorizes USDA to provide organic certification cost share assistance to producers and handlers of agricultural products who are obtaining certification under the National Organic Program. These producers and handlers may be located within the 50 United States, the District of Columbia, and five U.S. Territories including the Commonwealth of Puerto Rico, Guam, American Samoa, the United States Virgin Islands, and the Commonwealth of the Northern Mariana Islands.

The Agricultural Management Assistance Organic Certification Cost Share (AMA) is authorized under the Federal Crop Insurance Act (FCIA), as amended (7 U.S.C. 1524). Under this authority, Congress authorizes USDA to provide organic certification cost share assistance only to producers of agricultural products who are obtaining certification under the National Organic Program within the following 16 States: Connecticut, Delaware, Hawaii, Maine, Maryland, Massachusetts, Nevada, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Utah, Vermont, West Virginia, and Wyoming.

FSA administers the Organic Certification Cost Share Program (OCCSP) using relevant sections of the Organic Foods Production Act of 1990 and the Uniform Grant Guidance, 2 CFR 200. FSA awards OCCSP funds to eligible State Agencies, which operate as a pass-through system, by accepting and approving applications from producers and handlers so that State Agencies can issue reimbursements to organic operations.

1.2 PURPOSE

The purpose of the OCCSP is to defray the costs of receiving and maintaining organic certification under the National Organic Program.

2.0 AWARD INFORMATION

2.1 TYPE OF FEDERAL ASSISTANCE

FSA administers the OCCSP through Grant Agreements with State Agencies.

2.2 TYPE OF APPLICATIONS

FSA will review new applications from State Agencies for conformance with the criteria in 5.0 Application Review Information, and FSA may require applicants to provide additional information or clarification by a specified deadline.
2.3 PERIOD OF PERFORMANCE

The Period of Performance begins when the agreement is fully executed and ends December 31, 2022. The applicant must indicate the start and end dates in Box 6c (proposed project start and end dates) of the SF-424, “Application for Federal Domestic Assistance”. (For FY 2022, applicants should enter the date this Notice of Funding Opportunity Announcement closes for the proposed start date.) State Agencies should only apply if they reasonably expect to be able to process all applications by December 31, 2022. No-Cost Extensions of the Period of Performance will be considered only in rare situations due to unforeseeable circumstances. State Agencies must request No-Cost Extensions at least 10 calendar days before the end of the performance period.

State Agencies may accept applications from producers and handlers prior to receiving a fully executed award. Once such applications are processed and approved after award execution, producers and handlers may be paid with funds awarded pursuant to this Funding Opportunity Announcement. However, State Agencies should not process applications or make payments prior to receiving an executed award. Costs associated with activities performed outside the Agreement Period of Performance cannot be reimbursed.

State Agencies must submit requests for reimbursements and annual financial reports for the OCCSP by April 30, 2023.

2.4 AVAILABLE FUNDING

Approximately $7 million is available under the NOCCSP and $943,000 under the AMA OCCSP to fund FY 2022 applications received in accordance with this initial announcement.

2.5 ESTIMATED GRANT AMOUNTS

Each State Agency that submits an acceptable and complete application to FSA is eligible to receive a grant amount based on its FY 2021 OCCSP reimbursement requests, adjusted to reflect the funding available for FY 2022. Estimates for State Agencies that did not participate in FY 2021 are based on participation through FSA county offices in FY 2021, adjusted to reflect the amount of funding available for FY 2022 and the portion of producers and handlers who would be expected to apply through the State Agency instead of through their FSA county office.

The Federal Government is not obligated to make any Federal award as a result of the announcement. Only authorized federal officials can bind the Federal Government to the expenditure of funds.

**Grants.gov Lobbying Form, Certification and Disclosure of Lobbying Activities.** Under Title 31 of the United States Code, Section 1352, an applicant or recipient must not use any federally appropriated funds (both annually appropriated and continuing appropriations) or matching funds under a grant or cooperative agreement award to pay any person for lobbying in connection with the award. Lobbying is defined as influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress connected with the award. Submission of an application also represents the applicant’s certification of the statements in 2 CFR Part 418, Appendix A-Certification Regarding Lobbying. If you/your organization have/has made or agrees to make any payment using non-appropriated funds for lobbying, you must also complete and submit the SF LLL, Disclosure of Lobbying Activities located at 2 CFR 418, Appendix B. See 2 CFR, Subpart 418.110 for more information on when additional submission of this form is required.

4.2.2 NEGOTIATED INDIRECT COST RATE AGREEMENT (NICRA) (REQUIRED)
Submit a copy of the State Agency’s approved *indirect cost rate agreement* to substantiate the indirect cost request, as described in Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals of this part. Eligible states may also elect to use the de minimis rate as described at 2 CFR 200.414.

4.2.3 AGREEMENT SIGNATORY (REQUIRED)
Submit the name and title of the authorized representative who will sign the grant agreement in a cover memo or a separate document.
Submit SF-3881, ACH Vendor/Miscellaneous Payment Enrollment Form.

Applications must be received via Grants.gov by 11:59 p.m. Eastern Time on July 15, 2022. FSA may consider applications received after this date if funds are available.

This funding opportunity is not subject to Executive Order 12372, “Intergovernmental Review of Federal Programs.”

Eligible State Agencies that do not apply for or do not request all authorized funding during the specified grant application period will forfeit the full portion of authorized funding not requested. Subsequently, FSA may allocate the unrequested funds to other eligible State Agencies.

A State Agency may charge its negotiated indirect cost rate to the grant, including to the direct administrative costs of the award, but cannot charge it to payments to producers and handlers. A copy of the approved negotiated indirect cost rate agreement must be submitted with the application in accordance with 4.0 Application and Submission Information. The State Agency must notify its subapplicant(s) of the limit on indirect costs in its requests for proposals/applications/contracts. Subapplicants may charge an approved federally recognized indirect cost rate negotiated between the subapplicant and the Federal government or, if no such rate exists, either a rate negotiated between the State agency and the subapplicant, or a de minimis indirect cost rate as defined in §200.414 Indirect (F&A) costs, paragraph (b) of this part.

Sample Calculation

Payments to Producers and Handlers: $300,000
Total Direct Administrative Cost (does not include payments to producers and handlers): $20,000
Total Indirect Cost assuming a negotiated rate of 20% = $4,000
Total Grant Amount = $324,000

For this award, direct costs are limited to funds reimbursed to certified organic operations for certification costs and administrative costs, such as salaries and fringe benefits, incurred to administer the program under the grant. Other direct costs, such as costs for promotional materials and mailing expenses, are not eligible for reimbursement.
The total amount of administrative costs, including both direct costs and their associated indirect costs, cannot exceed 10 percent of the amount requested for payments to producers and handlers.

**Note:** If a State Agency does not use all of its allocated funds, the State Agency must ensure it meets the requirements for Indirect Costs described in Section 4.6.1. and return and/or de-obligate any unused funds (direct and indirect) in accordance with specified instructions from FSA, which will be provided to the State Agency when FSA is notified about the need to return and/or de-obligate funds.

### 4.7 OTHER SUBMISSION REQUIREMENTS

#### 4.7.1 GRANTS.GOV

FSA requires applicants to submit applications electronically through the central Federal grants website, [Grants.gov](http://www.grants.gov). When applying through [Grants.gov](http://www.grants.gov), applicants are not required to submit any paper documents to FSA.

For information on how to apply electronically, please consult the [Grants.gov Get Registered](http://www.grants.gov) webpage. When submitting through [Grants.gov](http://www.grants.gov), please limit the file name to 50 or fewer characters and use only the following characters when naming your attachments: A-Z, a-z, 0-9, underscore (_), hyphen (-), space, and period. Attachments that do not follow this rule may cause the entire application to be rejected or cause issues during processing.

#### 4.7.2 DATA UNIVERSAL NUMBER SYSTEM (DUNS) NUMBER OR UNIQUE ENTITY IDENTIFIER (UEI)

The State Agency must ensure that it and its sub-applicants, with the exception of individuals, have a Data Universal Number System (DUNS) or Unique Entity Identifier (UEI) number issued by SAM.gov at the time of application. A DUNS number is a unique number established and assigned by Dun and Bradstreet, Inc. (D&B) to identify organizations. A DUNS/UEI number is required for every application. Potential applicants and sub-applicants may acquire a DUNS number at no cost online at [http://fedgov.dnb.com/webform](http://fedgov.dnb.com/webform). To acquire a DUNS number by phone, contact the D&B Government Customer Response Center:

1-866-705-5711
Monday – Friday 7 a.m. to 8 p.m., CST

#### 4.7.3 SYSTEM FOR AWARD MANAGEMENT (SAM)

The System for Award Management (SAM) has replaced the Central Contractor Registration (CCR) as the central government repository for organizations working with the Federal government. To receive an award under the OCCSP, applicants are required to register with SAM and, in doing so, to designate an e-Business Point of Contact (e-Business POC). The SAM registration must be updated annually. The SAM registration must be active and maintained with current information, at all times, while the State Agency has an active award or an application under consideration.

The e-Business POC authorizes individuals to submit grant and cooperative agreement applications on behalf of the organization and creates a special password called a Marketing Partner ID Number (M-PIN) to verify individuals authorized to submit grant applications for the organization.
FSA will review grant applications to ensure the application criteria are in accordance with 4.0 Application and Submission Information.

FSA will review the application to ensure that the applicant is an eligible entity as defined in Section 3.0. There are no other statutory, regulatory, or other preferences applied in the review process, other than merit and risk criteria as described below:

1. The application was properly completed, i.e., all required information is contained on the application form.
2. If applicable, the application identifies and includes specified information on sub-applicants.
3. The applicant is an eligible entity.
4. When a State Agency intends to subcontract any portion of the federal award to another entity, the State Agency must request prior agency approval at least 30 days before execution of the award.
5. In accordance with 2 CFR part 200, FSA may use past performance to assist in determining the level of participation or allocation of funding to the applicant during the current funding cycle.

FSA reviews applications upon their submission to Grants.gov and initiates the application review process as they are submitted. FSA expects to make all awards within 30 days of the closing date.

FSA will notify the individual listed in block 8 “Primary Contact/Grants Administrator” of the SF-424 “Application for Federal Assistance” if additional information is required after the initial application review. Upon completion of a successful application review, FSA will send an Award Notice in accordance with 6.3 Acceptance of Award to Primary Contact/Grants Administrator.

FSA intends to notify State Agencies and execute grant agreements by July 25, 2022.

Once all administrative and programmatic issues are satisfactorily approved by FSA, FSA will provide the State Agency applicant with a formal award notice in the form of an electronic Grant Agreement (Grant Agreement).

The Grant Agreement sets forth pertinent information about the grant, including, but not limited to, the following:

- Federal Agreement Identification Number (FAIN) or “agreement number;”
• Statutory authority for the award and any applicable program regulations;
• Name of recipient organization;
• Name of the Recipient Project Coordinator;
• Approved period of performance start and end dates;
• Amount of Federal funds authorized for obligation by the recipient;
• Name of the Federal Agency Project Manager; and
• Applicable terms and conditions of award by either reference or inclusion.

Note: The State Agency applicant is responsible for any pre-award costs incurred prior to the establishment of an Agreement.

6.2 ADMINISTRATIVE AND NATIONAL POLICY REQUIREMENTS

Awards issues under the announcement are subject to 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. Several additional federal statutes and regulations apply to grant applications considered for review and to project grants awarded under this program. These include, but are not limited to the ones listed below.

2 CFR §25 – System for Award Management and Universal Identifier Requirements. See Appendix A to §25 – Award Term for Central Contractor Registration and Universal Identifier Requirements.

You must notify your potential subrecipients, with the exception of individuals, that they may not receive a subaward unless the entity has provided its DUNS number. You must not make a subaward to an entity unless the entity has provided its DUNS number.

(b) The recipient must notify its employees, contractors, or subrecipients that the prohibitions and restrictions of any internal confidentiality agreements inconsistent with paragraph (a) of this award provision are no longer in effect.

(c) The prohibition in paragraph (a) of this award provision does not contravene requirements applicable to any other form issued by a Federal department or agency governing the nondisclosure of classified information.

(d) If the Government determines that the recipient is not in compliance with this award provision, it:

(1) Will prohibit the recipient's use of funds under this award, in accordance with sections 743, 744 of Division E of the Consolidated Appropriations Act, 2016, (Pub. L. 114-113) or any successor provision of law; and

(2) May pursue other remedies available for the recipient’s material failure to comply with award terms and conditions.

6.3 ACCEPTANCE OF AN AWARD

A signature by an authorized representative of the State Agency on the Grant Agreement constitutes acceptance of an award and its associated terms and conditions. FSA must receive a signed Grant Agreement. If a recipient cannot accept the award, including the legal obligation to perform in accordance with award terms and conditions, then the recipient should notify the FSA Cost Share Manager immediately upon receipt of the Grant Agreement. Once the recipient accepts the award, the contents of the Grant Agreement are legally binding on the recipient.

7.0 POST AWARD MANAGEMENT

State Agencies are responsible for the following:

Announcing the availability of OCCSP award funds within their State, including directions on how beneficiaries are to apply for reimbursement; determining the eligibility of producers and handlers of agricultural products obtaining certification under the National Organic Program and issuing reimbursements based on the evaluation of
criteria listed below in Sections 7.1 through 7.6; and issuing the maximum allowable reimbursement, as defined by FSA, to eligible producers and handlers of agricultural products obtaining certification under the National Organic Program on a first-come, first-served basis.

### 7.1 ELIGIBILITY CRITERIA FOR PRODUCERS AND HANDLERS OF AGRICULTURE PRODUCTS OBTAINING CERTIFICATION UNDER THE NATIONAL ORGANIC PROGRAM

To be eligible, a producer or handler must have paid fees/expenses related to certification under the National Organic Program between October 1, 2021, and September 30, 2022. An eligible producer or handler must provide the following information to the appropriate State Agency to apply for reimbursement through the OCCSP: evidence that the operation has a valid organic certification under the National Organic Program at the time of application; an itemized receipt that identifies allowable costs paid within the qualification period of October 1, 2021, through September 30, 2022 (refer to Section 7.2 Allowable and Unallowable Costs); a completed State Agency Application for producers or handlers located within the State (entities with operations located in more than one State must submit applications to the State Agencies in which the operations are located); a W-9 Tax Form (requirements vary by State); other information, as required by the State Agency, to verify eligibility or issue reimbursement.

**Note:** Operations with suspended, revoked, or withdrawn certifications are ineligible for cost share reimbursement. The applicable USDA organic regulations and resources for certification are available on the AMS website at [www.ams.usda.gov/nop](http://www.ams.usda.gov/nop).

### 7.3 NATIONAL OCCSP ELIGIBLE SCOPES

Organic operations certified for any of the five eligible scopes (i.e., crops, wild crops, livestock, handler, and State Organic Program fees) are eligible to participate in the NOCCSP.
7.4 AMA OCCSP ELIGIBLE SCOPES

Organic operations located in the states listed in Section 3.1.2 and certified for the scopes of crops, wild crops, or livestock are eligible to participate in the AMA OCCSP. AMA OCCSP does not cover the scopes of handler and State Organic Program fees.

7.5 CERTIFICATION COST REIMBURSEMENTS ALLOWANCES

Reimbursements to producers and handlers of agricultural products obtaining certification under the National Organic Program are limited to 50 percent of the operation’s total allowable certification costs, up to a maximum of $500 per certification scope. If additional funding is authorized for FY 2022, the State Agency and FSA may amend the grant agreement to allow payment of up to 75 percent of the operation’s total allowable certification costs, up to a maximum of $750 per certification scope.

7.6 LIMITATIONS

Producers of agricultural products obtaining certification under the National Organic Program are eligible to participate in the AMA and the NOCCSP. However, to prevent duplicative reimbursements to producers in States that are eligible to participate in the AMA, the cumulative reimbursement amount cannot exceed the certification cost reimbursement allowance calculated according to Section 7.5.

A producer or handler may apply for OCCSP reimbursement from either the State Agency or through a local FSA office; they cannot receive payment from both. If a duplicate payment is inadvertently made, then FSA will inform the participant and require that funds be returned to CCC.

7.7 SUBRECIPIENTS

State Agencies may subaward a portion of or their entire award to another entity (i.e., subrecipient). Subrecipients are not required to complete the SF-424.

7.7.1 IDENTIFYING SUBRECIPIENTS

State Agencies that issue subawards to subrecipients as described in Section 7.7 must submit the following subrecipient information: the entity name, the entity point of contact, mailing address, email address, and applicable website information pertaining to the Cost Share Program. The State Agency (pass-through entity) must submit the requested information to the Cost Share Program Manager, at the time of application or request prior approval from the Federal Agency at least 30 days prior to execution of the subaward.

7.7.2 PASS-THROUGH ENTITY REQUIREMENTS

When a State Agency subawards OCCSP funds, the State Agency becomes a pass-through entity. Pass-through entities must ensure that subawards conform to the requirements outlined in 2 CFR 200.332 Requirements for pass-through entities are met, as detailed below:
§200.332 Requirements for pass-through entities

All pass-through entities must:

(a) Ensure that every subaward is clearly identified to the subrecipient as a subaward and includes the following information at the time of the subaward and if any of these data elements change, include the changes in subsequent subaward modification. When some of this information is not available, the pass-through entity must provide the best information available to describe the Federal award and subaward. Required information includes:

(1) Federal Award Identification.
   (i) Subrecipient name (which must match registered name associated with its unique entity identifier);
   (ii) Subrecipient’s unique entity identifier
   (iii) Federal Award Identification Number (FAIN);
   (iv) Federal Award Date (see the definition of Federal award date in 2 CFR §200.1) of award to the recipient by the Federal agency);
   (v) Subaward Period of Performance Start and End Date;
   (vi) Subaward Budget Period Start and End Date
   (vii) Amount of Federal Funds Obligated by this action by the pass-through entity to the subrecipient;
   (viii) Total Amount of Federal Funds Obligated to the subrecipient by the pass-through entity, including the current financial obligation;
   (ix) Total Amount of the Federal Award committed to the subrecipient by the pass-through entity;
   (x) Federal award project description, as required to be responsive to the Federal Funding Accountability and Transparency Act (FFATA);
   (xi) Name of Federal awarding agency, pass-through entity, and contact information for awarding official of the pass-through entity;
   (xii) Assistance Listings number and Title; the pass-through entity must identify the dollar amount made available under each Federal award and the Assistance Listings Number at time of disbursement;
   (xiii) Identification of whether the award is R&D; and
   (xiv) Indirect cost rate for the Federal award (including if the de minimis rate is charged per §200.414.

(2) All requirements imposed by the pass-through entity on the subrecipient so that the Federal award is used in accordance with Federal statutes, regulations and the terms and conditions of the Federal award.

(3) Any additional requirements that the pass-through entity imposes on the subrecipient in order for the pass-through entity to meet its own responsibility to the Federal awarding agency including identification of any required financial and performance reports;

(4) (i) An approved federally recognized indirect cost rate negotiated between the subrecipient and the Federal government or, if no approved rate exists, the pass-through entity must determine the appropriate rate in collaboration with the subrecipient, which is either:
(A) The negotiated indirect cost rate between the pass-through entity and the subrecipient, which can be based on a prior negotiated rate between a different pass-through entity and the same subrecipient. If basing the rate on a previously negotiated rate, the pass-through entity is not required to collect information justifying this rate, but may elect to do so; or

(B) The de minimis indirect cost rate.

(ii) The pass-through entity must not require use of a de minimis indirect cost rate if the subrecipient has a Federally approved rate. Subrecipients can elect to use the cost allocation method to account for indirect costs in accordance with §200.405(d).

(5) A requirement that the subrecipient permit the pass-through entity and auditors to have access to the subrecipient's records and financial statements as necessary for the pass-through entity to meet the requirements of this section, §§200.300 Statutory and national policy requirements through 200.309 Period of performance, and Subpart F—Audit Requirements of this part; and

(6) Appropriate terms and conditions concerning closeout of the subaward.

(b) Evaluate each subrecipient’s risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the subaward for purposes of determining the appropriate subrecipient monitoring described in paragraphs (d) and (e) of this section, which may include consideration of such factors as:

(1) The subrecipient's prior experience with the same or similar subawards;

(2) The results of previous audits including whether or not the subrecipient receives a Single Audit in accordance with Subpart F—Audit Requirements of this part, and the extent to which the same or similar subaward has been audited as a major program;

(3) Whether the subrecipient has new personnel or new or substantially changed systems; and

(4) The extent and results of Federal awarding agency monitoring (e.g., if the subrecipient also receives Federal awards directly from a Federal awarding agency).

(c) Consider imposing specific subaward conditions upon a subrecipient if appropriate as described in §200.207 Specific conditions.

(d) Monitor the activities of the subrecipient as necessary to ensure that the subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved. Pass-through entity monitoring of the subrecipient must include:

(1) Reviewing financial and programmatic reports required by the pass-through entity.

(2) Following-up and ensuring that the subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to the subrecipient from the pass-through entity detected through audits, on-site reviews, and written confirmation from the subrecipient, highlighting the status of actions planned or taken to address Single Audit findings related to the particular subaward.

(3) Issuing a management decision for audit findings pertaining to the Federal award provided to the subrecipient from the pass-through entity as required by 2 CFR §200.521 Management decision.

(e) Depending upon the pass-through entity’s assessment of risk posed by the subrecipient (as described in paragraph (b) of this section), the following monitoring tools may be useful for the pass-through entity
to ensure proper accountability and compliance with program requirements and achievement of performance goals:

(1) Providing subrecipients with training and technical assistance on program-related matters; and

(2) Performing on-site reviews of the subrecipient’s program operations;

(3) Arranging for agreed-upon-procedures engagements as described in 2 CFR §200.425 Audit services.

(f) Verify that every subrecipient is audited as required by Subpart F—Audit Requirements of this part when it is expected that the subrecipient’s Federal awards expended during the respective fiscal year equaled or exceeded the threshold set forth in 2 CFR §200.501 Audit requirements.

(g) Consider whether the results of the subrecipient’s audits, on-site reviews, or other monitoring indicate conditions that necessitate adjustments to the pass-through entity’s own records.

(h) Consider taking enforcement action against noncompliant subrecipients as described in 2 CFR §200.338 Remedies for noncompliance of this part and in program regulations.

**7.8 APPLICATION DEADLINES FOR PRODUCERS AND HANDLERS OF AGRICULTURAL PRODUCTS OBTAINING CERTIFICATION UNDER THE NATIONAL ORGANIC PROGRAM**

Certified operations must submit their applications for cost share assistance to the State Agency by November 1, 2022, unless the State Agency has requested and been approved for a different application deadline.

**8.0 REPORTING**

The State Agency is responsible for submitting financial and performance reports to FSA. Year-end reports are due within 120 calendar days of the award’s expiration date, no later than April 30, 2023. See sections 8.2 and 8.3 below for additional details.

**8.1 PRIOR APPROVALS**

The following require written notification via email, facsimile, or letter to the FSA Cost Share Program:

**8.1.1 CHANGE IN RECIPIENT PROJECT COORDINATOR**

When it is necessary to change the State Agency Recipient Project Coordinator for the OCCSP for a period of more than three consecutive months, or there is a significant reduction in time devoted to managing the OCCSP, the State Agency must submit a written notification (email is acceptable) to the Cost Share Program Manager. The notification must contain the new individual’s name and contact information.

**8.1.2 CHANGE IN SUBRECIPIENT**

When a subrecipient changes or plans to relinquish active direction of the project for a period of more than three consecutive months, or there is a significant reduction in time devoted to managing the OCCSP, the subrecipient must submit written notification (email is acceptable) to the State Agency, which will report the change to the Cost Share Manager. The notification must contain the new subrecipient organization or name and the affected Grant Agreement number.
8.1.3 NO-COST EXTENSION OF THE PERIOD OF PERFORMANCE

Where a no-cost extension of the Period of Performance is required, the recipient must notify the FSA Cost Share Manager in writing (email is acceptable) at least 10 calendar days before the end of the period of performance specified by the Grant Agreement. The request must contain:

1) The OCCSP Grant Agreement number(s) affected by the change;
2) The length of additional time required to complete activities and a justification for the extension;
3) A summary of progress to date;
4) An estimate of remaining funds on the scheduled expiration date; and
5) Signature of the State Agency Recipient Project Coordinator.

8.1.4 BUDGET AMENDMENTS

When a State Agency requests a budget revision (an increase or a decrease in the award amount), the change is recorded on a revised Grant Agreement, which must be signed by the recipient and Deputy Administrator.

8.2 FINANCIAL

8.2.1 REQUEST FOR ADVANCE OR REIMBURSEMENT - SF-270

OCCSP funds must be requested using standard form SF-270. OCCSP funds are electronically transferred to the bank account specified by the recipient. In addition to the Request for Advance or Reimbursement, the SF-270 must indicate the number of certified organic operations to be assisted with the requested funds for the period covered by the payment request. The recipient should complete the SF-270 and email it to the Cost Share Manager, and retain the original SF-270. Refer to FAQs for instruction on completing the SF-270.

Advances of grant funds are limited to the minimum amount needed to meet current disbursement needs and should be scheduled so the funds are available to the recipient as close as possible to the actual disbursements by the recipient for program costs.

Requests for payment should be scheduled so that OCCSP funds are obligated no later than December 31, 2022, and disbursed no later than 120 days after December 31, 2022, unless a no-cost extension is approved by FSA. Contact the FSA Cost Share Manager for instructions on how to transmit unused NOCCSP and AMA funds. Late repayments are subject to an interest charge of 18 percent per year and all penalties and administrative charges as provided under the Debt Collection Act of 1996 (31 USC 3701).

8.2.2 FEDERAL FINANCIAL REPORT – SF-425

The recipient must submit a final Federal Financial Report (SF-425) for each award program from which it received funds. The final Federal Financial Report is due within 120 days of the grant period of performance end date. The final SF-425 should reflect the cumulative financial activity, including both grant and operations assisted over the entire grant period. The recipient should complete and email the SF-425 to the Cost Share Manager and retain the original SF-425.
8.3 PERFORMANCE

8.3.1 NARRATIVE REPORT

The State Agency must prepare and submit a narrative report, not to exceed two pages, describing activities undertaken by the State Agency and/or any subrecipients related to making cost share funds available to eligible recipients including:

8.3.2 SPREADSHEET OF OPERATIONS REIMBURSED

The State Agency must prepare and submit the Spreadsheet of Operations Reimbursed (using the MS Excel template provided by FSA) to the Cost Share Program Manager within 120 days of the end of the grant period. 8.3.3 AUDIT REPORTS

The State Agency is accountable for conducting an annual financial audit of the expenditures of all OCCSP funds. The State Agency can fulfill this requirement through the Single Audit Act (A-133) or a program-specific audit in accordance with 7 CFR 200 subpart F, “Audit Requirements.” The Program Specific Audit Report is due to the Cost Share Program Manager within 30 days of the completion of the audit.

9.0 OTHER INFORMATION

9.1 RECORD RETENTION

In accordance with the Federal regulations (7 CFR § 200.333), grantees must retain all records relating to the grant for a period of 3 years. The record retention period starts after the Final Financial Report is submitted to the Cost Share Program Manager or after final resolution of an audit finding or litigation, whichever is later. Electronic record retention is acceptable.

public in connection with this Federal award. The release of information under these laws and regulations applies only to records held by FSA and imposes no requirement on the recipient or any subrecipient to permit or deny public access to their records.

FOIA requests for records relating to this federal award may be directed to USDA, Farm Production and Conservation FOIA Liaison, Room 4078-S, Mail Stop 0506, 1400 Independence Ave., SW, Washington, DC 20250-0273, Telephone: (202) 720-2979; or email: SM.FP.FOIA@usda.gov.

9.3 LIMIT OF FEDERAL LIABILITY

The maximum obligation of FSA to the recipient is the amount indicated in the award. Nothing in these award terms and conditions or in the other requirements of this award requires FSA to make any additional award of funds or limits its discretion with respect to the amount of funding provided for the same or any other purpose. In the event that an erroneous amount of funding is identified in any supporting documentation relating to the award, FSA has a unilateral right to make the correction and to make an appropriate adjustment in the FSA share of the award to align with the Federal amount authorized.

Anyone who becomes aware of the existence (or apparent existence) of fraud, waste, or abuse related to the OCCSP grants or use of grant funds should report this information to the USDA. The USDA Office of the Inspector General (OIG) provides several means, including toll-free numbers, for this purpose. You may reach the OIG hotline by:

By submission of its proposal or application, the applicant represents that it does not require any of its employees, contractors, or subrecipients seeking to report fraud, waste, or abuse to sign or comply with internal confidentiality agreements or statements prohibiting or otherwise restricting those employees, contractors, or subrecipients from lawfully reporting that waste, fraud, or abuse to a designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information. Fraud, waste, and abuse includes, but is not limited to, embezzlement, misuse, or misappropriation of grant funds or property, and false statements, whether by organizations or individuals. Examples are theft of grant funds for personal use; using funds for non-grant-related purposes; theft of federally owned property or property acquired or leased under a grant; charging inflated building rental fees for a building owned by the recipient; submitting false financial reports; and submitting false financial data in bids submitted to the recipient (for eventual payment under the grant). Callers are not required to give their names, and if they do, OIG keeps their identities confidential.

The Federal government may pursue administrative, civil, or criminal action under a variety of statutes that relate to fraud and false statements or claims. Even if the Federal government does not award a grant, the applicant may be subject to penalties if the information contained in or submitted as part of an application, including its certifications and assurances, is found to be false, fictitious, or fraudulent.

9.7 EXTENSION OF AGREEMENT FOR FY 2023

A State Agency may request additional annual allocations and extensions of its grant agreement to allow it to administer the program for FY 2023. Requests for additional allocations and grant agreement extensions will be considered by FSA on a case-by-case basis and are subject to FSA approval and availability of funds. State Agencies may submit requests via email to the OCCSP Manager who will provide instructions regarding any additional information required.
