

Overweight Bulletin

Issued: October 3, 2014

Effective immediately, the North Dakota Department of Transportation (NDDOT) along with the North Dakota Highway Patrol (NDHP) are not permitting superloads in excess of 200,000 lbs. over the Lewis and Clark Bridge on U.S. Highway 85 south of Williston until further notice.

Please work with the NDHP Permitting Section to obtain your overload permits.

Alternate routes crossing the Missouri River in North Dakota include; Four Bears Bridge on ND 23 near New Town, Yellowstone Bridge at Fairview on ND 200 and Mon/Dak Bridge near Buford on ND 58.
