

– FREE ACTIVE SHOOTER/THREAT TRAINING

My name is Coy D. Skinner and I am a Law Enforcement Instructor at the Federal Law Enforcement Training Center in Artesia, NM.

Because of a recent Presidential Mandate, the FLETC is offering **FREE** training for all State, Local, and Tribal law enforcement agencies in both the 3 day Active Shooter/Threat Training Program (ASTTP); or the for the 5 day Active Shooter/Threat Instructor Training Program (ASTITP) for fiscal year 2014. Both courses focus on developed single officer response tactics to Active Threats in order to stop the threat sooner and save more lives in the process.

All of the training expenses (training, meals, uniforms, and housing) are covered under the Presidential Mandate. Travel costs to and from the FLETC are your agency's only responsibility.

Additionally, if you would prefer to have us send an expert training team to your location for the 3 day Active Shooter/Threat Training Program to train your officers where you are located, those costs would be covered for you as well. The benefit of having us come to you would be that more of your officers could get the training, and there is flexibility in the actual training dates for when you would like us to come.

I am attaching the current scheduled training dates for your review. Hopefully your administration can send as many officers to fill slots as possible.

The POC to sign up for this free training is Greg Spain, Program Specialist, at 575 746-5748 or e-mail him at Gregory.Spain@fletc.dhs.gov ; or you may contact me at 575-748-5607 if you have any other questions.

FLETC law enforcement training programs for all State, Local, and Tribal agencies can also be found at: <https://www.fletc.gov/osl> . You must register through the website in order to sign up for training.

NOTE: There are two classes with plenty of vacancies for next week, Nov 4th through the 8th; the 3 day program and the 5 day instructor program.
