

Count the Counties

North Dakota is a really big state. NDHP Troopers patrol over 107,000 miles of roadways in North Dakota. The state is so big, it is divided into four regions and Troopers are assigned to live and work in one of the regions.

Count the number of counties in each region and write the number in the blank beside the name of the region.

Northwest _____ Southwest _____ Northeast _____ Southeast _____

How many total counties are there in North Dakota? _____

What county do you live in? _____
