NARRATIVE: Dakota Towing was recovering a disabled vehicle that was involved in an earlier crash. A Bismarck Police Department (BPD) officer was providing traffic control for Dakota Towing when a vehicle driven by Roger Borud ran into the back of the parked BPD vehicle which had its emergency lights activated. Borud was traveling west on Expressway between the Expressway Bridge and Washington Street in Bismarck. Borud's vehicle struck the BPD vehicle first and continued in a westward direction striking the tow truck. The BPD officer, Tyler Mahowald, was in his parked vehicle at the time and was injured. Mahowald was transported to Sanford Health Center and was later released. The occupants of the tow truck, Robert Short and Kaleb Glatt, were uninjured. Borud was charged with driving under the influence, reckless driving and having an open container of alcohol in a motor vehicle. He was transported to the Burleigh Morton Detention Center.

This crash remains under investigation.
