

NEWS RELEASE | **FOR IMMEDIATE RELEASE** | May 12, 2020

Vehicle Pursuit in Rural Horace and West Fargo

NARRATIVE:

On May 11, 2020 at 10:40 PM, the North Dakota Highway Patrol responded to a suspicious vehicle parked in a rural area NW of Horace. A NDHP Trooper located the suspect vehicle, a white 1996 Dodge Dakota. The trooper attempted a traffic stop on the Dodge and the vehicle fled north east into West Fargo. When the vehicle entered West Fargo, the West Fargo PD took over the pursuit. Shortly thereafter, the Dodge left the city limits. A NDHP Trooper was able to successfully deploy a tire deflation device, deflating several tires on the Dodge. The vehicle fled to an area south of the Deer Creek development and became disabled. The male suspect fled on foot. The suspect was tracked by a Fargo PD K-9 officer to the registered owners residence in Horace. The suspect was not located or taken into custody. The suspect in this incident is known and the incident is still under investigation by the NDHP. Charges will be filed when the investigation is complete. There is no threat to the public at this time.

The NDHP was assisted by West Fargo PD and Fargo PD.
