

Bridge Strike

What: Property

Where: I-94 Westbound Exit 342 Overpass. 2 Miles West of West Fargo

When: 09-18-2020 20:42

Road Conditions: Good

Weather Conditions: Clear Weather

Crash Involvement: Commercial Vehicle

Type of Crash: Bridge Strike

Agencies Involved: NDHP, NDDOT

Vehicle No. 1: 2013 Volvo Semi pulling a loaded 2007 flatbed trailer

Driver No. 1: Male, 23 YOA Austin Lehmann, Havana, ND, No injuries

Restraints: Seatbelt

Charges: Under investigation

NARRATIVE: The Volvo was westbound on I-94 from West Fargo to Havana, ND at approximately 60-65 mph. The semi was hauling an excavator on a trailer. The boom of the excavator was too high and struck the overpass of exit 342. The crash resulted in property damage to the excavator and the underside of the bridge. The right lane of I-94 westbound will remain closed until the bridge can undergo further inspection.
