NARRATIVE:

A Dodge Ram was traveling west bound crossing the Bismarck Expressway Bridge. A Chrysler Sedan was traveling east bound in the west bound lanes. The driver of the Dodge attempted to avoid collision with the wrong way driver by steering right. Just west of the bridge the vehicles hit head on in the outside lane. The Chrysler spun counterclockwise into the north ditch. The Chrysler came to rest on the outer edge of the ditch facing south bound. The Dodge came to rest in the outside lanes facing west. The occupants in the Chrysler required

extrication. The driver of the sedan was pronounced dead at the scene. The passengers and driver of the Dodge were transported to Sanford in Bismarck by Metro Ambulance. The crash remains under investigation by the NDHP.
