**NARRATIVE:** The 2014 Kenworth truck tractor and trailer driven by Mr. Jacobson was eastbound on I-94 near University drive in the middle lane. Traffic ahead began to slow down due to road construction on the Minnesota side of the river and so did the 2014 Kenworth. The 2008 Chevrolet Silverado, driven by Mr. Satrom, was following directly behind and did not slowdown in time, rear ending the 2014 Kenworth truck and trailer. The 2008 Chevrolet Silverado immediately started on fire. Reed Satrom and Everett Northup were both transported to Sanford Hospital in Fargo with serious injuries. Reed Satrom was flown to a hospital in the Twin Cities. On 8/1/22, he died because of his injuries. Everett Northup remains in Sanford Hospital in stable condition.
