NARRATIVE:

On January 4th, 2022 at approximately 11:45 am, a 2020 Freightliner was traveling in the right lane of eastbound I-94 near MM 336, about two miles west of Mapleton. Blowing snow was present along this stretch of I-94 and the roadway had scattered ice. Singh was driving the Freightliner and lost control of the CMV.

The CMV crossed the median and then rolled across the westbound roadway, blocking the entire westbound roadway.

Westbound I-94 traffic was detoured onto Hwy. 10 (I-94 Frontage Road) from Exit 338 (Mapleton) to Exit 331 (Casselton) for about 75 minutes while the CMV was up righted and removed from the scene. The Cass County Sheriff's Office and NDDOT assisted with the detour route.

Casselton FD responded and assisted on scene and with traffic control.

Singh was seat belted and not injured in the crash. He was cited for Care Required.
