Restraints: Under investigation

Passenger No. 2: 14 YOA female, Hazen, ND, rear seat – injured

Restraints: Not restrained and ejected

NARRATIVE:

On July 12th, 2022 at approximately 4:10 am, a two vehicle crash occurred on I-94 near MM 305, just east of the Oriska Rest Area, along the westbound roadway.

A 2005 Dodge Ram, towing a U-Haul flatbed car trailer, was westbound on I-94 in lane 2 (right lane). While traveling westbound, the trailer and Dodge Ram were rear-ended by a 2017 GMC Sierra.

After the collision, the Dodge and trailer entered the median and rolled. The 14 YOA female passenger in the Dodge was unrestrained and was ejected during the rollover. The other two occupants of the Dodge remained in the vehicle. After striking the Dodge, the GMC fled the crash scene.

Evidence on scene allowed law enforcement to identify the GMC being involved in the crash. Law enforcement placed a BOLO (Be on the lookout) out for the GMC. The GMC was located later in the morning in Jamestown by the NDHP. The GMC was impounded and the driver, Wyatt Staloch was detained. During the investigation, Staloch was identified as the driver of the GMC at the time of the crash. He was arrested for Leaving the Scene of a Fatal Crash, a B Felony. He was transported to Stutsman County Corrections for this charge. Staloch was not injured in the crash.

The 14 YOA female passenger and 46 YOA female driver of the Dodge were both transported to Sanford Hospital in Fargo for their injuries.

Names of the injured parties and the fatal victim will be released on July 13th.

The crash remains under investigation by the North Dakota Highway Patrol.
