NDHP Office Involved Shooting - Fargo

NARRATIVE: The North Dakota Highway Patrol responded to a hit and run injury crash on Interstate 29 involving a blue pickup that rear ended a motorcycle. After the crash, the blue pickup fled the scene. Troopers were not initially able to locate the blue pickup. A short time later a trooper located the blue pickup that matched the suspect vehicle going east on 32nd Avenue South, in Fargo. The same blue pickup also matched the description of a vehicle that Fargo PD was looking for, that had recently been involved in a shooting at an apartment complex in Fargo. The trooper conducted a traffic stop on the vehicle. After the suspect vehicle stopped, the driver began to wave around a gun and then fled north onto Interstate 29 at a high rate of speed. The suspect took the exit to go east onto Interstate 94. While negotiating the exit the blue pickup struck another vehicle and crashed. The male driver of the blue pickup got out of the vehicle and began shooting as the NDHP trooper arrived on scene. The trooper returned fire striking the male suspect. The suspect was then taken into custody. The NDHP and Fargo PD will be holding a press conference at 8:30 p.m. at the NDHP Fargo office located at 503 38th Street South in Fargo.
