**NARRATIVE:** A 2016 Volvo semi loaded with frac sand was traveling eastbound on highway 1804 approximately mm 290 the semi pulled into an approach on the North side attempting to turn around. The semi then backed across Highway 1804 to another approach on the South side.

As the semi was getting turned around onto the highway to go back West, the male driver of a 2017 GMC Sierra, traveling Eastbound, struck the side of the semi-trailer. The driver and passenger of the GMC Sierra were transported by Tioga Ambulance to Tioga Medical Center. The Driver was later transported to Trinity in Minot due to his serious injuries sustained in the crash. The Passenger is being treated at Tioga Medical Center for his injuries.

The female driver of the Semi was not injured in the crash.

This crash remains under investigation by the North Dakota Highway Patrol.
