**NARRATIVE:**

On December 26<sup>th</sup>, 2024 at approximately 4:01 pm, a two vehicle minor injury crash occurred at the intersection of Hwy. 1 and Hwy. 26 in Barnes County near Dazey, ND.

A 2016 Chevrolet Malibu was northbound on Hwy. 1 being driven by Shelby Olson. Olson approached the intersection with Hwy. 26 and t-boned a 1997 Peterbilt towing a 2019 Wilson trailer being driven by Jack Fehr.

Fehr was eastbound on Barnes County Road 4 and crossing Hwy. 1 to enter onto Hwy. 26. Fehr failed to yield at the stop intersection and began to cross Hwy. 1. Olson then struck the passenger side of the Peterbilt in the drive tires of the CMV. Olson's vehicle had the right of way at the intersection.

The Peterbilt continued eastbound onto Hwy. 26 and came to a stop. The Chevrolet came to rest in the intersection, upright.

Shelby and Charles Olson were transported by Barnes County Ambulance to CHI Mercy Hospital in Valley City for non-life-threatening injuries. A dog named Daphne that had been with the Olson's ran off after the crash into a slough area. The Barnes County Sheriff's Office put out a public plea for assistance in locating the dog. If anyone observes a dog in the crash area, please contact the Barnes County Dispatch Center at (701) 845-8181 or call 911 to reach the dispatch center.

The crash remains under investigation by the NDHP.
