**NARRATIVE:** The Toyota Avalon was east on Highway 13 and the GMC Terrain was behind the Toyota, also east bound. The 2020 Nissan was west and had pulled into the east bound lane to pass another west bound vehicle. The Toyota swerved right, and the Nissan side swiped the Toyota in the east bound lane. This caused the Nissan to rotate, and the GMC struck the Nissan on the passenger side in a "T-Bone" manner. The Nissan caught fire, and the driver was pulled out by passerby's who came upon the crash.

The driver of the Nissan was transported to Lisbon Hospital via ambulance and then Sanford Air Med flew the driver of the Nissan to Sanford Hospital in Fargo.

The driver and passenger of the GMC were transported to Sanford Hospital in Fargo via Ambulance.

The crash remains under investigation by the North Dakota Highway Patrol.
