

NEWS RELEASE | **FOR IMMEDIATE RELEASE** | July 14, 2025

TEMPORARY CLOSURE UPDATE

LOCATION: I-94 eastbound lane, mile marker 154 (Refinery Exit), Mandan

A crash occurred at 5:50pm on July 14, 2025, on I-94 on the Mandan Avenue overpass. The crash involved two pickups hauling trailers and a semi. Both eastbound lanes are blocked. The entrance exit ramps are still open in that area. Traffic is being rerouted down the ramps to bypass the blockage. Motorists should use caution due to the backups in traffic.

UPDATE: The eastbound lanes were reopened at 9:05 p.m. on July 14, 2025. In the four-vehicle crash, two drivers received minor injuries and were transported via ambulance. Citations were issued to the driver of the fourth vehicle, a 2015 Peterbuilt Semi, for care required and failure to maintain lane - distracted driving.
