HEADQUARTERS | 600 East Boulevard Avenue, Dept. 504 | Bismarck, ND 58505

PHONE: (701) 328-2447 | FAX: (701) 328-1717 | ND.gov/NDHP

NARRATIVE: On January 28, 2026, at approximately 2:31 p.m., a 2005 Chevrolet K2500 was traveling southbound on U.S. Highway 85 near mile marker 58 in Stark County. A northbound oversized load move consisting of a puller truck, pusher truck, and pilot vehicle were transporting a compressor with pedestal support.

The Chevrolet K2500 failed to safely maneuver past the oversized load. The puller and pusher trucks attempted to move the load as far right as possible. The pickup struck a beam on the oversized load trailer and then collided with the rear axles of the trailer.

After the initial impact, the pickup continued southbound, lost control, and struck the pilot vehicle. The pilot vehicle and southbound pickup both came to rest in the east ditch.

The driver of the Chevrolet K2500 died as a result of injuries sustained in the crash.

The crash remains under investigation by the North Dakota Highway Patrol.
