Motorists traveling east on I-94 asked to plan for an overnight closure

NARRATIVE: #NDHP encourages motorists traveling east on I-94 to find overnight accommodations west of Jamestown. Areas for parking large commercial motor vehicles and overnight lodging accommodations can fill up quickly at the point of a major road closure. It is encouraged to find overnight accommodations further away from the closure point to ensure you have a place to stay. This also helps relieve traffic congestion once the roadway is re-opened. Monitor the North Dakota Travel Information map for road closures and road conditions: <https://www.dot.nd.gov/travel-info-v2>. #NDHP will also post updates to our Facebook page, [@northdakotahighwaypatrol](#) and Twitter account, [@NDHighwayPatrol](#). #StaySafe
