Restraints: Seat belted.

Charges:

NARRATIVE:

Roadwork on the far-left westbound lane caused a heavy concentration of traffic on the second lane, resulting in stopped traffic.

A pickup truck rear-ended another pickup truck and as a result a third pickup truck was rear ended. A fourth pickup was then struck by the first pickup truck involved in the crash.

One of the four drivers was injured and taken by ambulance to a Fargo Hospital. The crash remains under investigation by the Highway Patrol.
