NARRATIVE: The crash occurred on I-94 Mp101 in a construction zone. The Interstate is currently reduced to two lane head to head traffic. Michael Azure was traveling westbound and crossed the centerline into eastbound traffic. Azure struck Chambers who was traveling

eastbound on I-94. The contact caused Chambers to enter the westbound travel lane and sideswipe Andrew Sjodin's trailer. Azure's vehicle sustained severe damage to the front end and came to rest blocking westbound traffic. Chambers vehicle came to rest in the median. Chambers 30 foot trailer disconnected and came to rest approximately 100 yards in the eastbound travel lane. Sjordin's truck and trailer came to rest in the median. I-94 was closed as a result of the crash. Traffic was diverted onto Highway 10 from westbound MP102 10 MP84. The closure lasted approximately 3.5 hours.
