NARRATIVE: Driver of the pickup was pulling a white trailer which contained bathrooms in route to Edinburg, ND from Grove City, OH. Daniels ran off the roadway into the median, the pickup pulling the large 35-40 ft. trailer went airborne going over an embankment/crossover. Daniels attempted to get out of the median and get back onto the highway. In the process Daniels lost control of the trailer, which came off the bumper hitch and rolled onto the highway and was on its left side facing west, northwest at final rest. The pickup came to rest

on the north shoulder facing east. Daniels and Miller suffered minor injuries and declined transport.
