PURPOSE

To establish guidelines when permits will be issued for divisible loads exceeding 105,500 pounds gross vehicle weight but not exceeding 131,000 pounds gross vehicle weight on state highways when road beds are frozen.

POLICY STATEMENT

As authorized by section 39-12-05.3 NDCC, the NDDOT director may grant the NDHP authority to issue longer combination vehicle (LCV) divisible load single trip and 30-day permits for vehicle combinations exceeding 105,500 pounds gross vehicle weight on designated state highways. The gross vehicle weight may not exceed 131,000 pounds. **Dates of movement will be December 1 through March 7 of the following year.**
