Spring Workshops

Pre/Post Trip Inspection AND Annual Inspection Seminar

- Fargo, March 18 • Mandan, March 25 • Williston, March 31

This united training offers driver and mechanics the opportunity to receive information in a setting that allows for open discussion and a cooperative team approach to CMV repair and maintenance safety. Prepares those for compliance with part 393 and Appendix G of federal regulations regarding Annual Vehicle Inspections.

NDHP Permitting SEMINAR

- Fargo, March 18 • Mandan, March 25 • Williston, March 31

A comprehensive overview of the oversize and overweight permitting process and regulations.

Hazardous Material Basics and Exemptions

- Fargo, May 19 • Williston, May 21 • Bismarck, May 27

This course discusses the minimum requirements that are applicable to carriers, vehicles and drivers that transport any quantity of Hazardous Materials. This would include the companies transporting equipment or supplies used in their business that is not exempted. The course will also explore the exemptions that a company/crrier may be able to use and the requirements that must be met when the exemption is claimed.

Commercial Driver’s License Overview

- Fargo, May 19 • Williston, May 21 • Bismarck, May 27

The applicability of a CDL is discussed, the different CDL classes as well as endorsement requirements as they apply to HM and cargo tanks. Farm cooperative exemptions, nurse tanks and restricted CDL requirements will also be covered.
