

CITIZEN'S REPORT 2018

NDHP Overview

The North Dakota Highway Patrol (NDHP) works diligently every day to **empower people, improve lives and inspire success.**

The NDHP is divided into two main components: **field operations** and **administration**. Field operations include the west, east, and motor carrier divisions. Administration includes finance, safety and education, support services, human resources, and the Law Enforcement Training Academy (LETA).

The NDHP remains committed to fulfilling our public safety mission and providing professional law enforcement services to North Dakota citizens and the motoring public.

Colonel Brandon Solberg

Troopers on active patrol directly impact driver behavior. Our core areas of focus are **DUI, right-of-way, speeding, occupant protection, criminal laws, protecting infrastructure, and commercial motor vehicle safety.**

Important field operations programs that contribute to our success are the **canine program, crash reconstruction team, emergency response team, drug recognition experts, aircraft operations, motor carrier safety assistance program (MCSAP) and size and weight program.**

NDHP troopers work diligently to provide education to the public to enhance crash-reducing, responsible driving behavior. In 2018, troopers gave 384 safety presentations to a variety of educational institutions, civic organizations, and the general public.

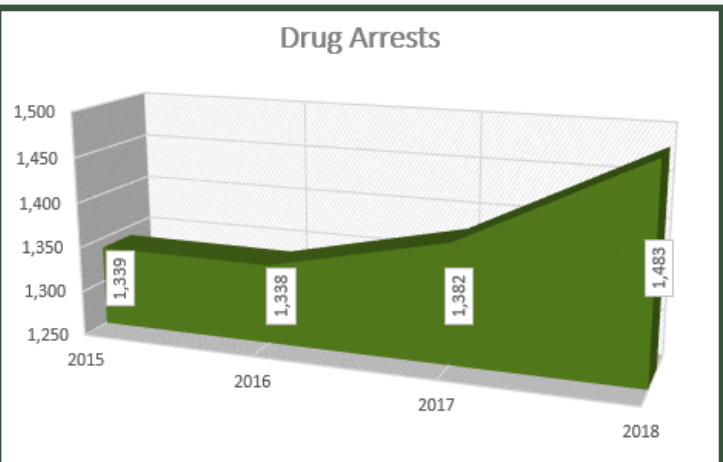

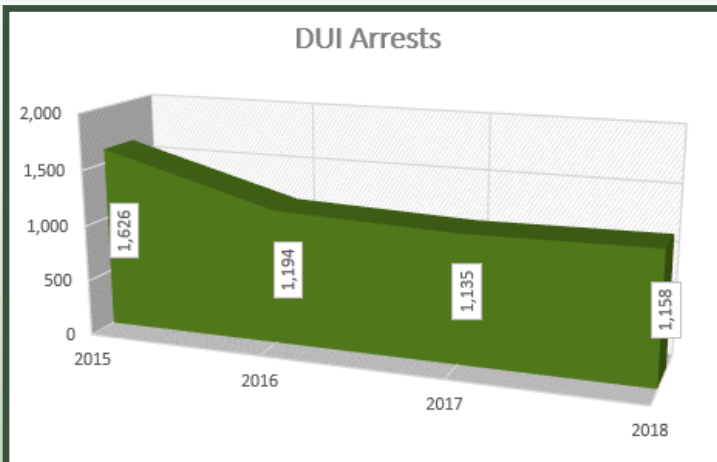

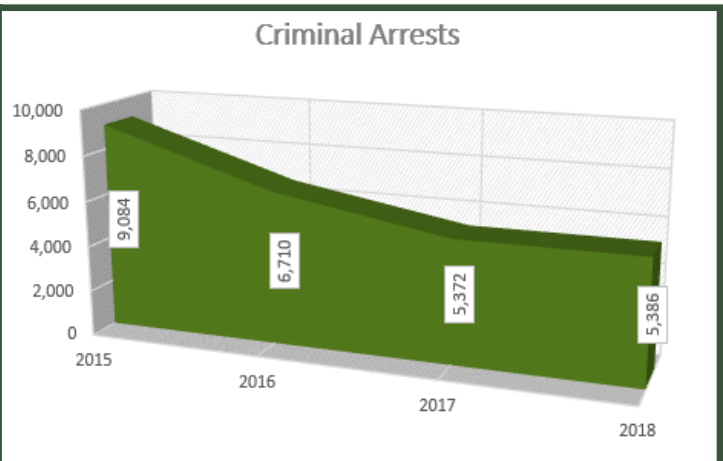

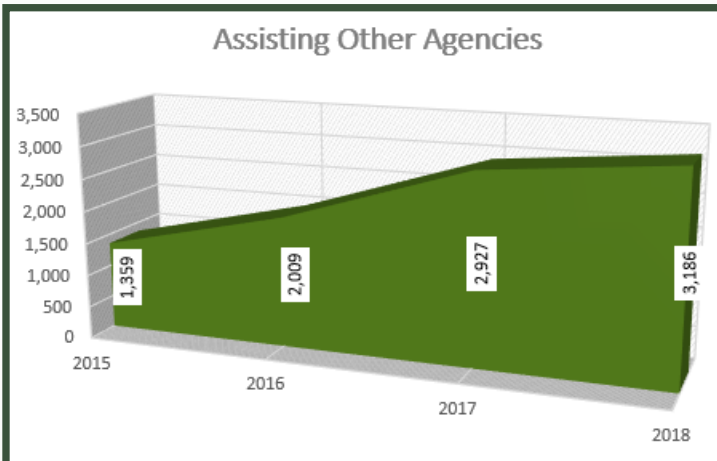

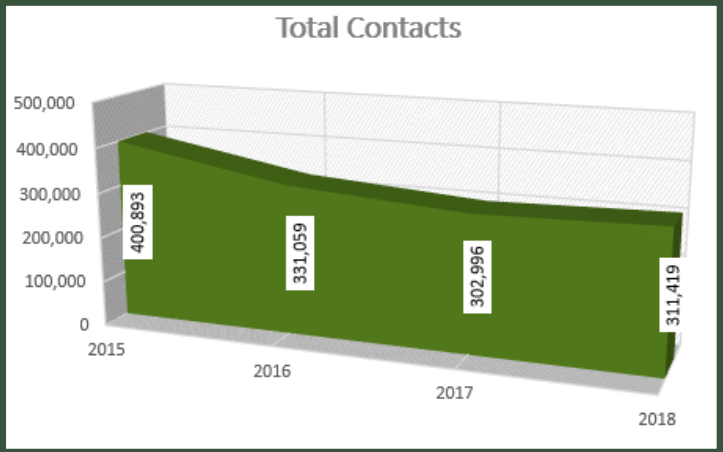

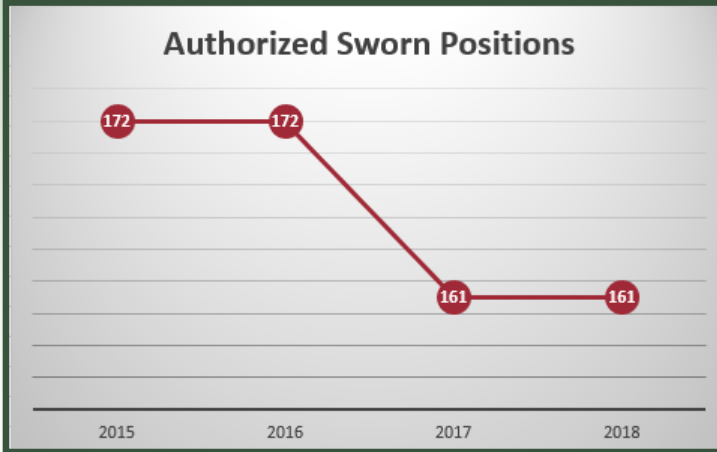

In 2018, **178,954 permits** were issued. The automated routing permit system processed **175,011 (98%)** of these permits. An NDHP employee reviewed **6.8%** of permits.

The LETA provides basic training for peace officers and correctional officers as well as advanced training for law enforcement officers. One thousand two students representing local, state, county, and federal agencies graduated from the LETA in 2018.

The mission of the North Dakota Highway Patrol is to make a difference every day by providing high quality law enforcement services to keep North Dakota safe and secure.

- Equal Employment Opportunity Complaints: 0
- Internal Investigations: 3
- Formal Citizen Complaints: 29

Formal Complaints per Contact
2018: 1 per 10,739 contacts

Operational Objectives

The NDHP has seven key operational objectives that guide NDHP Troopers and staff to make a difference every day:

- Concentrate efforts on patrolling highways and remaining visible to the motoring public
- Enforce crash-causing violations to reduce crashes; thoroughly investigate crashes
- Strictly enforce impaired driving laws to reduce injury and fatality crashes
- Detect and deter criminal activity
- Protect highway infrastructure; provide for safe movement of goods and services through effective motor carrier enforcement
- Provide professional service to the public
- Hold individuals rather than groups accountable for their actions
