CCT V Proposal to DOE –

12/11/92 ✓

**OBJECTIVE / STATEMENT OF WORK**

The objective of this program is to submit a CCT V proposal to the U.S. DOE. The proposal is for an Integrated Pressurized Fluidized-Bed demonstration project. The demonstration plant would be located adjacent to the Milton R. Young Units 1 and 2 near Center, ND. The CCT V Program Opportunity Notice required a cost shares proposal be submitted to the U.S. DOE by December 12, 1992. The objective of this proposal was to assist in the preparation of the proposal.

**STATUS**

A CCT V proposal was submitted by the BNI Coal, Ltd. Proposal Team on December 4, 1992.
