Interim Report

Work Accomplished:
Since this grant was approved, Pheasants Forever has created an application and program contract for use with cooperating landowners. We have worked closely with our partners at the USFWS to share this opportunity with interested ranchers in the project area. To date we have six signed contracts and one application. The six signed contracts account for 8,795.20 acres. Work on signed contracts is ongoing.

Certification
This report was prepared pursuant to an agreement with the Industrial Commission of North Dakota, which partially funded the project through the Outdoor Heritage Fund.
