Federal number as of 4/19/2014	10,597

Notes: The federal number represents individuals who have selected a Marketplace plan. This means the total number of individuals determined eligible who have selected a plan (with or without the first premium payment having been received directly by the Marketplace or the issuer). This is also known as pre-effectuated enrollment.

The federal number also includes special enrollment from individuals that had started but not completed enrollment by 3/31/14.
