Honorable Adam Hamm  
Commissioner  
North Dakota Insurance Department  
600 East Boulevard Avenue, Dept. 401  
Bismarck, ND 58505-0320  

Dear Commissioner:

Pursuant to your instructions and in accordance with the North Dakota Insurance Code and resolutions adopted by the National Association of Insurance Commissioners (NAIC), an examination was made of the books, records, and financial condition of

McLean McHenry Mutual Insurance Company  
Turtle Lake, North Dakota

as of December 31, 2014.

McLean McHenry Mutual Insurance Company, hereinafter referred to as the "Company," was last examined as of December 31, 2009, by representatives of the State of North Dakota.

SCOPE OF STATUTORY EXAMINATION

This examination was a financial condition examination conducted in accordance with N.D.C.C. § 26.1-03-19.3 and observed guidelines and procedures contained in the NAIC Financial Condition Examiners Handbook. The examination was conducted to determine the Company's financial condition, its compliance with statutes, and to review the corporate affairs and insurance operations. This statutory examination covers the period from January 1, 2010, to December 31, 2014, including any material transactions and/or events occurring subsequent to the examination date and noted during the course of this statutory examination.

STATUS OF PRIOR EXAM FINDINGS

Our examination included a review to determine the current status of the 11 exception conditions commented upon in our preceding Report on Examination which covered the period from January 1, 2005, to December 31, 2009. We determined that the Company had satisfactorily addressed all of these items.

SUBSEQUENT EVENTS

There were no significant subsequent events noted through the date of this report.
HISTORY

The Company was incorporated under the laws of the State of North Dakota on December 17, 1904, and commenced business January 1, 1905, as the McLean County Farmers Mutual Fire, Lightning, and Cyclone Insurance Company, with its principal place of business at Washburn, North Dakota. During June 1910, its office was moved to Underwood, and in 1937 to Turtle Lake. During 1927, the Company’s name was changed to McLean County Farmers Mutual Insurance Company, and the term of its existence was made perpetual.

In 1990, the Company merged with Viking Farmers Mutual Insurance Company, retaining the name McLean County Farmers Mutual Insurance Company.

Effective August 31, 1998, the Company and Farmers Mutual Insurance Company of McHenry County joined operations under an Articles of Consolidation to form a new company named McLean McHenry Mutual Insurance Company.

The Company was organized pursuant to the provisions of N.D.C.C. ch. 26.1-13 to insure against all of the risks and to possess all of the powers and to be subject to all of the liabilities and duties of a county mutual insurance company as now provided in N.D.C.C. ch. 26.1-13, as the same may be from time to time amended in the future.

MANAGEMENT AND CONTROL

The Company is controlled by its membership. Any person owning property within the limits of the territory within which the Company is authorized to transact business may become a member of the Company and be entitled to all the rights and privileges of membership. No person who does not reside within such territorial limits shall become a director of the Company.

Directors

The Articles of Incorporation provide that the corporate powers of the Company shall be vested in a Board of Directors composed of nine members elected by a majority vote at the annual meeting of the membership. Directors are elected for a term of three years or until their successors are elected and duly qualified. A majority of the entire Board of Directors constitutes a quorum for the transaction of business.
Directors duly elected and serving the Company at December 31, 2014, were as follows:

**Officers**

Officers are elected at the annual meeting of the Board of Directors by a majority vote for a period of one year. Officers serving at December 31, 2014, were as follows:

<table>
<thead>
<tr>
<th>Name</th>

The Company's Manager, Linda Huelsman, oversees the day-to-day operations of the Company. She also serves on the Board of Directors as the Secretary-Treasurer. These two positions are inherently conflicting in nature as the Secretary-Treasurer oversees the work of the Manager.

It is recommended that the Company review the job functions of the Manager and Secretary-Treasurer and develop procedures to reduce the fraud risk associated with having the same person performing both functions.
CORPORATE RECORDS

Articles of Incorporation and Bylaws

No amendments were made to the Articles or Bylaws during the period under examination.

Board of Directors, Members and Committee Minutes

The minutes of the meetings held by the membership and directors during the years under examination were reviewed for compliance with the Articles of Incorporation, Bylaws, and statutory requirements.

The Company's Board of Directors did not formally resolve to approve the Company's investment guidelines as required by N.D. Admin. Code § 45-03-12-05(3). There was no evidence in the minutes noting retrospective approval of individual investment transactions made by the Company's broker as required by N.D. Admin. Code § 45-03-12-05(4). There also was no record of the Company obtaining approval of each investment transaction by the Secretary/Manager or President as required by the Company's investment guidelines.

It is recommended that the Company document the review and approval of investment transactions made by its broker within its Board minutes at least quarterly per N.D. Admin. Code § 45-03-12-05(03) and that the Board approve the Company's investment guidelines at least annually by a formal resolution per N.D. Admin. Code § 45-03-12-05(4).

Members

The Bylaws provide that the annual meeting of the Company shall be held between March 1 and June 30 of each year. During the period under examination the annual meetings of the policyholders were held on the following dates: June 14, 2010; June 13, 2011; June 11, 2012; June 10, 2013; June 16, 2014.

Directors

Conflict of Interest

The Company has a conflict of interest policy for directors, officers, and key employees and conflict of interest statements are completed annually. Not all conflicts were disclosed each year. Evidence of the review and approval of disclosed conflicts by the Board of Directors was not noted during the exam period.

It is recommended that the Company's Board of Directors annually review and approve the conflict of interest statements and all disclosures.
FIDELITY BOND AND OTHER INSURANCE

At December 31, 2014, the Company was a named insured on a fidelity bond insuring against loss sustained by the Company as a result of dishonest or fraudulent acts committed by an employee. The bond provides for a $50,000 single loss limit of liability for loss caused by each employee. The coverage meets the minimum amount of fidelity insurance recommended in the NAIC’s Financial Examiners Handbook.

The Company is also covered by a directors and officers liability insurance policy providing a $2,000,000 limit of liability each policy year. Each claim is subject to a $10,000 deductible. The policy provides coverage for errors or omissions in the performance of professional services and wrongful acts of a director or officer while acting solely in their individual or collective capacities as directors and officers.

The Company's home office in Turtle Lake is protected by a commercial lines policy that provides property coverage of $135,200. The policy also provides liability coverage of $1,000,000 per occurrence and a $2,000,000 aggregate limit.

**MARKET CONDUCT ACTIVITY**

**Treatment of Policyholders**

**Claims** Based on a limited review of claim files, the Company pays claims fairly within policy provisions upon receipt of satisfactory proof of loss or damage.

**Advertising** The Company's advertising consists primarily of newspaper, directory advertising, and miscellaneous ads (i.e., county fair). The advertising material was reviewed and no violations of N.D.C.C. § 26.1-04-03(2) were noted.
OPERATING AGREEMENTS

Grinnell Adjusting Service

On April 23, 2010, the Company entered into a contract with Grinnell Advisory Company, a subsidiary of Grinnell Mutual Reinsurance Company, to perform claims adjusting and risk review services.

For services provided in 2014, Grinnell Advisory Company was paid $25,000. The fee charged is a flat rate for up to 100 claims. Any additional claims would be billed at $400 per claim. There was no fee for risk reviews delineated within the contract.

It is recommended that the Company allocate the fixed fee paid to Grinnell Advisory Company between underwriting expenses and claims adjustment expenses based on the number of claims adjusted and risk reviews performed by Grinnell Advisory Company.

OPERATIONS REVIEW

Representatives of Grinnell Mutual Reinsurance Company (Grinnell) performed an operations review of the Company in August 2012 covering the following areas:

- General Operations
- Underwriting and Loss Control
- Claims

This review performed by Grinnell contained six suggestions, none of which were considered significant for this examination.

The reinsurance treaty in force at December 31, 2014, is summarized below.

Nonaffiliated Ceding Contract:

The contract contained the insolvency clause required by N.D.C.C. § 26.1-02-21 and all of the clauses required by the NAIC's *Accounting Practices and Procedures Manual*.

**ACCOUNTS AND RECORDS**

The Company's accounting procedures, internal controls, and transaction cycles were reviewed during the course of the examination and a trial balance as of December 31, 2014, was extracted from the general ledger and traced to the appropriate schedules of the Company’s 2014 Annual Statement. Revenues and expenses were tested to the extent deemed necessary.

The Company's trial balance did not list all accounts and transactions necessary to tie it to the Annual Statement. Several of the trial balance accounts were not updated with the current year's figures, and errors corrected in the preparation of the Annual Statement were not reflected in the trial balance totals.

It is recommended that the Company properly post recordable transactions to the general ledger and that any accruals needed to comply with the Annual Statement reporting requirements be posted to the worksheet that documents the reconciliation of the general ledger trial balance to the Annual Statement.

**Custodial Agreements**

During the exam period, the Company entered into a custodial agreement with broker-dealer Edward D. Jones & Co., L.P. (Edward Jones), under which Edward Jones provides safekeeping of the Company's invested assets. This agreement was executed as a result of a prior examination finding that stated the Company did not have a compliant custodial agreement.

The Company's custodial agreement with Edward Jones was granted an exemption by the Department for N.D. Admin. Code § 45-03-23-02(2)(p) effective September 4, 2012. In July 2014, this agreement was replaced by Edward Jones with a new agreement which does not
contain the nonexempted language required by N.D. Admin. Code § 45-03-23-02(2). Therefore, the exemption granted for the original agreement is no longer applicable. The revised agreement does not contain the following language as specified in N.D. Admin. Code § 45-03-23-02(2):

2. The agreement must be in writing and must be authorized by the resolution of the board of directors of the insurance company or of an authorized committee of the board. The terms of the agreement must comply with the following:

   a. Securities certificates held by the custodian must be held separate from the securities of the custodian and of all of its other customers.

   b. Securities held indirectly by the custodian and securities in a clearing corporation must be separately identified on the custodian's official records as being owned by the insurance company. The records must identify which securities are held by the custodian or by its agent and which securities are in a clearing corporation. If the securities are in a clearing corporation, the records must also identify where the securities are and, if in a clearing corporation, the name of the clearing corporation and, if through an agent, the name of the agent.

   c. All custodied securities that are registered must be registered in the name of the company or in the name of a nominee of the company or in the name of the custodian or its nominee or, if in a clearing corporation, in the name of the clearing corporation or its nominee.

   d. Custodied securities shall be held subject to the instructions of the insurance company and shall be withdrawable upon the demand of the insurance company, except that custodied securities used to meet the deposit requirements set forth in North Dakota Century Code section 26.1-05-23 must, to the extent required by that section, be under the control of the insurance commissioner and must not be withdrawn by the insurance company without the commissioner's approval.

   f. During the course of the custodian's regular business hours, any officer or employee of the insurance company, any independent accountant selected by the insurance company, and any representative of an appropriate regulatory body shall be entitled to examine, on the premises of the custodian, the custodian's records relating to
custodied securities, but only upon furnishing the custodian with written instructions to that effect from an appropriate officer of the insurance company.

g. The custodian and its agents shall be required to send to the insurance company:

(1) All reports which they receive from a clearing corporation on their respective systems of internal accounting control; and

(2) Any reports prepared by outside auditors on the custodians or its agent’s internal accounting control of custodied securities that the insurance company may reasonably request.

h. The custodian shall maintain records sufficient to determine and verify information relating to custodied securities that may be reported in the insurance company’s annual statement and supporting schedules and information required in any audit of the financial statements of the insurance company.

i. The custodian shall provide, upon written request from an appropriate officer of the insurance company, the appropriate affidavits, substantially in the form described in the appendices to this chapter, with respect to custodied securities.

j. A national bank, state bank, or trust company shall secure and maintain insurance protection in an adequate amount covering the bank’s or trust company’s duties and activities as custodian for the insurer’s assets and shall state in the custody agreement that protection is in compliance with the requirements of the custodian’s banking regulator. A broker-dealer shall secure and maintain insurance protection for each insurance company’s custodied securities in excess of that provided by the securities investor protection corporation in an amount equal to or greater than the market value of each respective insurance company’s custodied securities. The commissioner may determine whether the type of insurance is appropriate and the amount of coverage is adequate.

k. The custodian shall be obligated to indemnify the insurance company for any loss of custodied securities, except that the custodian shall not be so
obligated to the extent that the loss was caused by other than the negligence or dishonesty of the custodian.

l. The custodian shall be obligated to indemnify the insurance company for any loss of custodied securities occasioned by the negligence or dishonesty of the custodian's officers or employees, or burglary, robbery, holdup, theft, or mysterious disappearance, including loss by damage or destruction.

m. In the event that there is a loss of custodied securities for which the custodian shall be obligated to indemnify the insurance company, the custodian shall promptly replace the securities or their value thereof and the value of any loss of rights or privileges resulting from the loss of securities.

o. In the event that the custodian gains entry in a clearing corporation through an agent, there shall be an agreement between the custodian and the agent under which the agent shall be subject to the same liability for loss of custodied securities as the custodian; provided, however, that if the agent shall be subject to regulation under the laws of a jurisdiction which is different from the jurisdiction the laws of which regulate the custodian, the insurance commissioner of the state of domicile of the insurance company may accept a standard of liability applicable to the agent which is different from the standard of liability applicable to the custodian.

p. The custodian shall provide written notification to the insurer's domiciliary commissioner if the custodial agreement with the insurer has been terminated or if one hundred percent of the account assets in any one custody account have been withdrawn. This notification shall be remitted to the insurance commissioner within three business days of the receipt by the custodian of the insurer's written notice of termination or within three business days of the withdrawal of one hundred percent of the account assets.

It is recommended that the Company enter into a custodial agreement that meets the requirements of N.D. Admin. Code § 45-03-23-02 and that the agreement be approved by the Board of Directors.
Claim Complaints

N.D.C.C. § 26.1-04-03(10) requires that the Company adopt and implement reasonable standards for the prompt handling of written communications, primarily expressing grievances received by the Company from insureds or claimants. Currently, the Company does not have or maintain an internal complaints log that records all grievances received by the Company as required by N.D.C.C. § 26.1-04-03(10).

It is recommended that the Company establish and maintain an internal complaints log that meets the requirements of N.D.C.C. § 26.1-04-03(10) for any complaints that are reported to the Company.

It is recommended that the Company report Deferred Premiums as shown in the “Deferred Installment Policy Listing” report.

Cash on Deposit

At December 31, 2014, cash on deposit was determined to be in excess of the FDIC/NCUA deposit insurance limits of $250,000 at three banking institutions. Per Bulletin 2010-2, North Dakota domestic insurers are allowed to report long-term certificates of deposit as cash as long as the aggregate amount of funds deposited with any single issuer does not exceed $250,000.

It is recommended that the Company keep deposits at any one banking institution within the deposit insurance limits.

The Company determines its unpaid claims liability at year end by reviewing and totaling all of its reported claims that have not yet been paid. The Company’s accounting system can generate a report that identifies all unsettled reported claims at year end. The Company should monitor claims development against this report to determine if initial case reserves were sufficient.
The Company also did not record a liability for incurred but not reported (IBNR) claims. IBNR claims are claims that occurred during a reporting period, but are not reported to the Company until after the financial statements are prepared for that reporting period. The Company's claims records showed there were eight IBNR claims during the five-year examination period. By dividing the total amount paid on these IBNR claims by five, the rolling five-year IBNR average can be established. This process was used to determine that the IBNR reserve should have been $5,387 at year end.

It is recommended that the Company use the APPS “Open Claims Report” as the starting point for establishing its unpaid loss figure. The Company should monitor claims development against the open claims report figures to determine if initial case reserves were sufficient. The Company should also combine a rolling five-year historical average of IBNR claims and add this to the unpaid claims figures at year end for reporting unpaid losses on the Annual Statement.

**Unearned Premium Reserve**

Unearned Premiums as determined by this examination consisted of the following items and amounts:

<table>
<thead>
<tr>
<th>Description</th>
<th>Company</th>
<th>Examination</th>
</tr>
</thead>
<tbody>
<tr>
<td>Unearned Premium Reserve</td>
<td>$555,288</td>
<td>$541,770</td>
</tr>
<tr>
<td>Total</td>
<td>$555,288</td>
<td>$541,770</td>
</tr>
</tbody>
</table>

Members' premiums are not fully earned upon receipt by the Company. Unearned Premiums are the portion of the members' policies that have not yet been earned by the Company and are subject to refund if the member cancels their policy. Policy fees are fully earned upon receipt and should be excluded from the Unearned Premium Reserve calculation. Policy fees included in the Unearned Premiums Reserve at year end were $13,518.

It is recommended that the Company not include policy fees when determining its liability for unearned premiums.

**Expenses**

*Equipment Purchased and Data Processing Expenses*

Equipment Purchased and Data Processing Expenses as determined by this examination consisted of the following items and amounts:

<table>
<thead>
<tr>
<th>Description</th>
<th>Company</th>
<th>Examination</th>
</tr>
</thead>
<tbody>
<tr>
<td>Equipment Purchased (or depreciation on same)</td>
<td>$ 858</td>

<td>$16,083</td>

<tr>

<td>$21,906</td>
<td>$21,906</td>

</tbody>
</table>

The Company incorrectly expensed equipment that it purchased to the Data Processing Expenses account instead of to the Equipment Purchased account. Per the Annual Statement reporting instructions, the Data Processing Expenses account is only for software expenses and
technical support relating to computer software. The change was only a reclassification of expenses and did not affect the ending balances of Assets, Liabilities, or Surplus.

It is recommended that the Company file its Annual Statement according to all applicable Annual Statement Instructions and statutory accounting practices and procedures.

**Surplus to Policyholders**

Surplus to policyholders was determined by this examination to be $1,832,128 or $11,645 more than the amount reported by the Company in its 2014 Annual Statement. Adjustments to surplus are shown in the following schedule:

<table>
<thead>
