A special thanks to all the Agency Leads that worked so hard to get us to this point. These folks attended project meetings, developed the requirements, worked through the proof of concept, tested the product, and went to training as Agency Recruiters.

• Recruiting System went live Wednesday, February 12th, 2014.

• A Big Thank-you to Jill and Mary at WSI for hosting training!

Next Steps:

• March—HRMS will work with and follow up with Agencies that will be closing jobs and processing applications.
