## About the Guide

This guide is setup for Agency Users to utilize and reference for understanding the various processes throughout the system. Also, there are tips to give users insight on best practices within the system.

## Getting Started

Here's a list of "need to know" functionality that is available throughout the system depending what screen or process is involved.

- An \* next to any field in the system means that that field is required.
- Anytime you see the magnifying glass icon,  it means that the field is a lookup field.

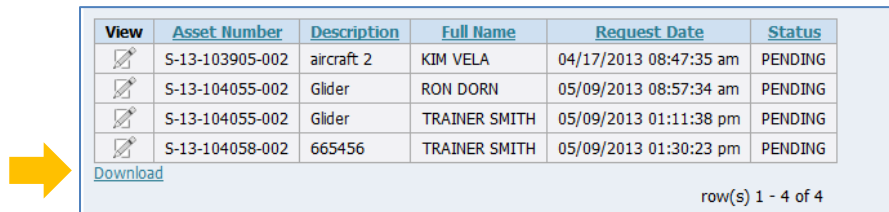

A screenshot of a form field. The label "From Agency \*" is on the left. To its right is a text input box. To the right of the input box is a magnifying glass icon.

Users can start typing in the name of the agency just by clicking in the field and starting to type part of the agency name. Users can also click the magnifying glass icon to see a list of all available options in that field.

- Date fields are in this layout: MM/DD/YYYY. Users can enter date as 5/1/2013 or 05/01/2013 or use the Calendar selection.

\*NOTE: the / (slashes) are required when entering the date manually.

- Any time you see the download link under a list it means the list is downloadable to Excel.

A screenshot of a table with 6 columns: View, Asset Number, Description, Full Name, Request Date, and Status. There are 4 rows of data. Below the table is a "Download" link and the text "row(s) 1 - 4 of 4". A yellow arrow points to the "Download" link.

## Accessing Assetworks

Registered users can access the system from: <https://www.nd.gov/omb/agency/state-surplus-property/transferring-property>

\*Note: Users must use Internet Explorer browser to access Assetworks.

\*\*Note: Users with NDGOV logins should use their state Active Directory username and password.

A screenshot of a "Sign-In" form. It has a title bar "Sign-In". Below the title bar are two input fields: "Username" and "Password". Below the "Password" field is a "Sign In" button. At the bottom of the form is a link: "Forgot your [username](#) or [password](#)?"

\*\*\*Note: The first time users with NDGOV logins access the system, only a “Home” tab will be available until your security has been assigned by a Surplus Property staff member. User will be notified by email when their access has been assigned. Please allow 24-48 hours for security roles to be assigned.

After the security role has been assigned, Users will now see the Welcome/Home Screen similar to the one below.

### Print Labels

Print labels via the  button and attach the printed label to the property you are disposing of.

A report window will open. Once the label appears on the screen, click the print icon to print the label(s). Each label will print on a separate 8.5"x11" page. If the item entered has a quantity greater than 1 for an asset, print an additional copy for each identical asset and affix the label to the property. Example: you are disposing of 5 keyboards that are identical, they all have the same asset number assigned, print 5 labels and affix 1 label to each keyboard.

\*Note: To print labels, users must use Internet Explorer and have the bar code fonts installed. The fonts needed are Code 39 Azalea Wide 2, Free 3 of 9 Extended, and Free 3 of 9 Regular. There is an Installation of Fonts for Barcode Labels reference sheet at the end of this guide. Contact your IT department for assistance with installing these fonts.

\*\*Note: Depending on the properties of your printer, you may have to change the paper type to Letter or 8.5"x11" when printing the label for it to print properly.

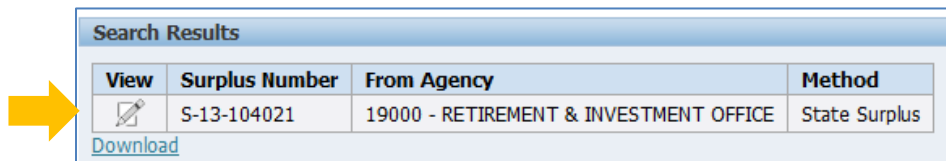

\*\*\*Note: Each evening an email is sent to the designated Surplus Property Liaison for your agency. This email will inform the liaison that a Surplus Transfer is pending their approval.

## Approving Surpluses

To approve a Surplus Transfer, the designated Surplus Property Liaison will need to click on the Transfers tab and either type the surplus number in the Surplus Number field or use the Search Surplus region. If using the Search Surplus region, choose your agency in the From Agency field; change the Status to Waiting for Approval, then click the Search button.

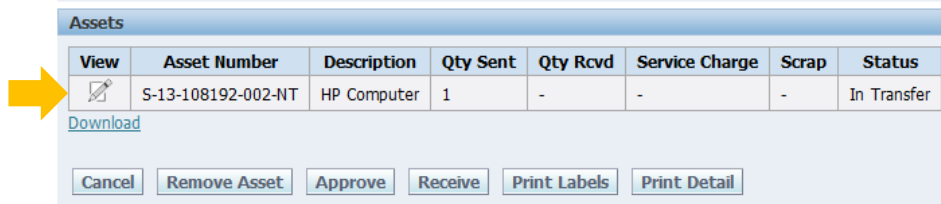

A screenshot of a software interface titled 'Surplus'. It has two main sections: 'Quick Search Surplus' and 'Search Surplus'. The 'Quick Search Surplus' section has a 'Surplus Number' text box and a 'Search' button. The 'Search Surplus' section is expanded and contains several fields: 'Surplus Number' (text box), 'From Agency' (text box with a search icon), 'Method' (dropdown menu), 'Asset Number' (text box), 'Status' (dropdown menu with 'WAITING FOR APPROVAL' selected), and 'Remarks' (text box). A yellow arrow points to the 'Status' dropdown menu. There is also a 'Search' button at the bottom of the 'Search Surplus' section.

Once the surplus transfer is found, click the View button to be taken to the Surplus Transfer detail.

After reviewing the Asset Details, the Approver will need to navigate back to the Surplus Detail screen and click the Approve button at the bottom of the screen.

Approvers will be taken to the next screen where they will need to change the Approved field via the drop down list next to each asset listed. Click the Approved drop down list and chose either Approved or Rejected.

If there are several assets on the Surplus transfer, users can use the blue arrow next to the Approved to do a “apply all”. Once the correct status is selected, the system will copy that status to every asset. Once the correct approved status is selected, click the Save button.

## Reports

Designated Surplus Property Liaisons will have access to the Reports Tab.

The Surplus Transfer Report can be run by clicking on the red arrow.

## Surplus Transfers

Run the report by entering a Surplus Number, Start and End Date, or leave the search fields blank for all asset disposal details for the Agency. This report can be downloaded to Excel or printed to PDF.

## Create a Shopping List (Wants)

Authorized users can create a customized list of wanted items using the Want List feature. Use keywords to define the type of item you are looking for. When items with those keywords are received at Surplus Property you will receive an email notification.

Click View My Current Want List to view existing lists or create a new list.

The screenshot shows the 'Home' page with a navigation menu on the left containing links: 'View All Items', 'View My Current Holds', and 'View My Current Want List'. Below the menu is a search bar with the text 'What are you looking for?' and a 'Search' button. A category list is shown below the search bar, including 'Aircraft and Airframe Structural Components', 'Electrical and Electronic Equipment Components', etc. On the right, the 'Want List requests' section contains instructions on how to create a want list entry and a table of search results. The table has columns: Search, Edit, Creation Date, Description, Filter, Locations, and Active. One result is shown: '24" monitor' with a creation date of '09/03/2013' and 'Active' status 'Yes'. Below the table is a red arrow pointing to the 'Add search to want list' button in the search results page.

Click the red arrow to add new search criteria.

## Support

For questions and/or other support, please click the Support link.

Fill out the form and click Send Email and someone will contact you.

The screenshot shows the 'InGroup' support form. It includes a title 'InGroup' and a subtitle 'Request a Support Representative'. The form contains a text area for 'My question or comment:', followed by input fields for 'My Name', 'My Phone Number', and 'My Email Address'. There is a 'Cancel' button and a 'Send Email' button. At the bottom, there is a note: 'Our support staff is available Monday-Friday from 8:00 A.M. to 3:00 P.M. (Central Time), excluding holidays.'

## Installation of Fonts for Barcode Labels for Windows 7

User must have Administrative Rights on their computer in order to install these. Contact your IT Department if you don't have access or need assistance with the below instructions.

### Download Barcode Label Fonts

1. Download the fonts from Surplus Property Website at <https://www.nd.gov/omb/agency/state-surplus-property/transferring-property>
  - a. Click Barcode Fonts Zip File
  - b. When prompted, choose Save File.
  - c. When the Save As dialog box opens, choose where to save the file. \*Make sure you note the location of where you are saving it.
  - d. When done saving, choose Open.
  - e. Proceed to Install Barcode Label Fonts below

### Install Barcode Label Fonts

Perform the below steps to install the following fonts; Code39AzaleaWide2(1), FREE3OF9, FRE3OF9X.

1. Double click on the first font to install
2. Click Install
3. Window will appear saying "installing name of font"
4. When it's done the Install button is grayed out
5. Close Font window and repeat process with other two fonts.
6. Login to AssetWorks
7. Find an asset
8. Click "Print Label" button from the Asset Detail screen and you should now see a barcode instead of the numbers.

Other Resources: Below is a website that shows an example of what the screen looks like to install the fonts. It also gives directions on how to install for XP, Vista, and Windows 8.
