

# Updating Google Chrome

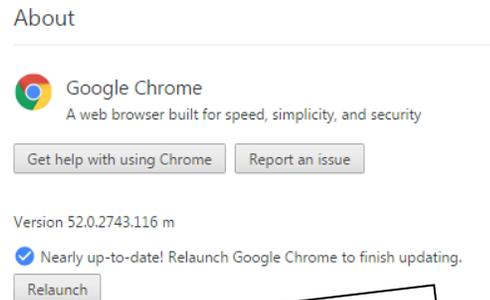

1. Open Google Chrome from your Task Bar or Start | All Programs | Google Chrome
2. In the upper right hand corner click on the “Hamburger button” as seen with the red square

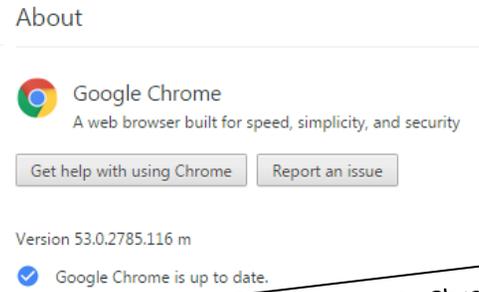

3. Click Help | About Google Chrome
4. You’ll see a spinning circle and “Checking for updates/Updating Google Chrome”. A popup will appear asking “Do you want to allow the following program to make changes to this computer?” Click on YES.

Updating...

When it is done you will see this. Click on the Relaunch button.

It will close Google Chrome and reopen. You will then see this screen and Google Chrome is now up-to-date!
