

The purpose of the Advocates Leading their Lives (ALL) Self-Advocacy Network is to ensure people with disabilities are treated as equals, and they are given the same decisions, choices, rights, responsibilities, and chance to speak up to empower themselves to live, learn, create, and work. The network is a state-wide initiative inclusive of "all" people.

ALL supports comprehensive aging services care so people with disabilities can age with dignity in the place of their choosing.

ALL encourages the 'creation and support of programs and services that would help people with a disability and a behavioral health concern across their lifespan.

ALL supports increased options for integrated, affordable and accessible housing for people with disabilities. Limited affordable housing options in ND.

ALL Legislative

ALL supports improved public and private options for accessible, affordable transportation. Transportation remains #1 priority.

ALL encourages appropriate supports and services for people with disabilities in the justice system.

ALL supports the

elimination of seclusion and restraint procedures in schools. ALL encourages the use of positive behavior supports instead

to protect people from harm.
