

MILES IN  
THEIR SHOES

# SUPPORT CALL-AHEAD TRANSIT IN YOUR COMMUNITY

*Shawn can't drive or walk to a bus stop—so he has scheduled a ride to work every weekday for the last 18 years.*

For some of us, having a disability makes it hard to go anywhere. But everyone wants the freedom to go places, keep a job, and connect with other people.

Paratransit gives persons with disabilities entry to their community. These vans open doors.
