

**Purpose**

If you are applying for an extension of time to file your 2014 North Dakota individual income tax return, you may make an extension payment to prepay the tax that you expect to owe to avoid paying extension interest.

If you make an extension payment, you must file Form ND-1 and claim the payment on page 2, line 27; you may not file Form ND-EZ.

The payment must be made no later than April 15, 2015, to avoid extension interest.

**Important.** Do not use the voucher below if you:

- Choose to make the payment electronically—see “How to make payment” for your payment options.
- File your return on or before April 15, 2015.
- Pay your balance due after April 15, 2015.

Any tax paid with your return is subject to extension interest.
