Instructions

Any corporation that overpaid its estimated income tax for a taxable year beginning after July 1, 1987 may apply for a quick refund if the overpayment exceeds five hundred dollars (\$500). The overpayment is the excess of estimated tax paid during the taxable year (including overpayment credits from the prior taxable year) over the income tax liability the corporation expects to have when this application is filed.

This application must be filed after the close of the taxable year and before the fifteenth day of the fourth month thereafter (the original due date of the tax return). No interest may accrue or be paid on this refund.

If a quick refund of estimated income tax results in a corporation's failure to meet the requirements of North Dakota Century Code (N.D.C.C.) §57-38-62, interest provisions will apply. The tax commissioner will assess any interest owed by the taxpayer.

Please submit a copy of this form to the Office of State Tax Commissioner, 600 E. Boulevard Ave., Dept. 127, Bismarck ND 58505-0599. A copy of this form will accompany the refund when it is issued.

I declare under the penalties of North Dakota Century Code § 12.1-11-02, which provides for a Class A misdemeanor for making a false statement in a governmental matter, that this claim for refund, including any accompanying schedules and statements, has been examined by me and to the best of my knowledge and belief is a true, correct and complete claim for refund.
