

Purpose

If a partnership is applying for an extension of time to file the 2014 Form 58, it may prepay the tax that is expected to be due on it to avoid paying extension interest. The payment must be made no later than the 15th day of the 4th month following the end of the tax year.

Important: Do not use this extension payment voucher if:

- The 2014 Form 58 is filed on or before the due date (without extension).
- The tax balance due is going to be paid after the due date (without extension) of the 2014 Form 58.
- The payment will be made electronically—see “How to make payment” for payment options.

Any tax paid with the return is subject to extension interest.

The amount of the fee will be provided during the transaction with an option to continue or cancel the transaction.
