General instructions

An individual is allowed an income tax credit for making a qualified planned gift to a qualified nonprofit organization or a qualified endowment fund. *See the instructions to line 2 for what is a qualified planned gift.*

The credit must be claimed first in the tax year in which the planned gift is made. The unused portion of a credit for a planned gift made in the 2017 tax year may be carried forward for up to three tax years.

Adjustment to taxable income—North Dakota taxable income must be increased by the amount of the charitable contribution on which the credit is computed, but only to the extent that the contribution reduced federal taxable income. See the instructions to the 2017 Form ND-1, line 4a.
