AUDITOR, MOUNTRAIL, N.D.
1ST READING – LUMLEY ANNEXATION – DECEMBER 8, 2015

Jeff Holcomb spoke on behalf of Taryn and Carly Lumley and the project developer, Swenson Realty Group, Inc., interested in the annexation of approximately 456 acres located in the north ½ and southwest ¼ of Section 17 T155N Range 91W. The property is being proposed for a mixed-use master-planned community development consisting of a market driven blend of residential, industrial, and commercial/retail uses. Two options were presented on how to proceed with this annexation to be contiguous to city limits. The first option would be to go down 63rd Street NW to connect to the Lumley property. The second option would be to go down 63rd Street NW and then north behind the old John Deere dealership. Mr. Holcomb stated the Lumley’s have had several meetings and discussions with the Idaho Township board as 63rd Street NW is a township road. The Idaho Township board has stated they are open to the project and working with the Lumley’s and the City. The Idaho Township would also like the City to meet with them to discuss this project. Attorney Enget stated the key to this is to figure out access which is going to be to strip annexation. Council discussed in great length the strip annexation and the best ways to provide city services to this property. A motion made by Holte second by Gaasjolen to approve the first reading of the following annexation: Upon roll call: All present voted in favor. Motion carried.

ORDINANCE NO. 96-30

AN ORDINANCE RELATING TO THE ANNEXATION OF REAL PROPERTY PRESENTLY LOCATED OUTSIDE THE CORPORATE BOUNDARIES OF THE CITY OF STANLEY

Taryn and Carly Lumley

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF STANLEY, MOUNTRAIL COUNTY, NORTH DAKOTA:

The City Council of the City of Stanley, North Dakota, pursuant to Chapter 40-51.2 of the North Dakota Century Code, states that:

1) The owner of the following described real property, Taryn Lumley and Carly Lumley, having signed a written petition for annexation into the corporate boundaries of the City of Stanley, North Dakota; and

TOWNSHIP 156 NORTH RANGE 91 WEST:

    Section 17:  NW (less Outlot 1), NE¼, SW¼

SECTION 4: EFFECTIVE DATE.

This Ordinance shall take effect and be in force from and after final passage, and due publication according to law.

The first reading held on December 8, 2015, with the second reading and final passage to be held on February 9, 2016. Publication Dates: December 23 and December 30, 2015.

2ND READING - LUMLEY ANNEXATION – APRIL 11, 2017

Jeff Holcomb, consultant on behalf of Taryn and Carly Lumley, requested the Council act on the second reading of the Lumley Annexation. Carly and Taryn Lumley, Doug Kinnin and Attorney Ryan Sandberg were also in attendance. Mr. Holcomb informed the Council that adjacent landowners, Colleen Evenson and Jim Dennis, will allow an easement for an utility corridor to connect the proposed property to be
annexed to the City. The proposed development will be the “Wildflower Ranch” and will consist of a mixture of residential, commercial and retail use property. Mr. Holcomb stated the proposed annexation will have no impact to the City or the taxpayers.

Discussion was held on sewer services to the development. City Engineer with Brosz Engineering, Terry Lukan, commented the Rian Development has sewer and the proposed development is 40’ higher than Old Highway #2 so this will help to connect to the Rian Development. It is unknown if a lift station would be needed. Mr. Lukan felt Sewer Cell 3 could accommodate the development. Mr. Holcomb stated the infrastructure needs will be at the cost of the developer.

Attorney Evert suggested the Board place a contingency of tying the Developer’s Agreement and the strip annexation to the approval of the annexation.

Chancey Henrin, SNW Green Acres and resident along 63rd St NW, asked if any consideration has been given to improve 63rd St NW. Comment was made the road will remain a township road and access to the proposed development will be from Highway 8.

David Enander with Idaho Township Board commented that Stanley City will be benefiting from the tax dollars and should have an obligation to help maintain adjoining roads. Attorney Evert stated this could be addressed in the Developer’s Agreement. Mr. Enander stated there is ½ mile on 63rd Street NW and 1 mile on 83rd Ave NW that will be affected by the annexation.

Councilman Taylor stated he reached out to adjoining landowners and he feels the adjoining landowners did not get fair notice of this annexation hearing because of the time frame between the first reading in December of 2015 and the second reading of today. Councilman Nohr agreed with this comment. Also, Nohr felt there is property within the City available for residential and commercial use and is not certain if another development is needed at this time.

Councilman Gaasjkolen did not feel the Council should be a road block to development and felt there is no reason to delay action. Further, the Developer’s Agreement can address matters of concern.

Councilman Taylor stated he is concerned of the obligations that will be required of the City as revenues are down. Mr. Lumley stated the developers were not asking for anything from the City, everything will be funded by the developers. Councilman Taylor stated there is still the obligation in sharing maintenance on township roads and sewer issues. Mr. Holcomb stated these issues can all be addressed in the Developer’s Agreement.

Wayne Evans, Chairman of the P&Z Board, was concerned that strip annexations could create problems. Also, Mr. Enander asked if the annexation would change the extra-territorial zoning authority. Attorney Evert stated the City does have the right by ordinance to extend their zoning authority.

Motion made by Gaasjkolen, seconded by Holte, to approve the second reading of Ordinance #96-30 for the annexation of the NW (less Outlot 1), NE1/4, SW1/4 of Section 17 T155N R91W for Taryn and Carly Lumley contingent upon a Developer’s Agreement approved by the City and a strip annexation by adjacent property owners: ON ROLL CALL VOTE, the following Council Members voted “AYE”: Gaasjkolen, Wienbar, Holte and Minton; and the following Council Members voted “NAY”: Nohr and Taylor. Motion carried and Ordinance declared adopted.
